## Northern Beaches Council

### FINANCIAL COMMENTARY 2017/18

#### INTRODUCTION

This commentary provides the highlights of Council's 2017/18 Financial Statements. The Financial Statements are prepared by Council to provide information in relation to Council's financial performance and position. The Statements are prepared in accordance with Australian Accounting Standards, the NSW Local Government Act 1993, and the NSW Local Government Code of Accounting Practice and Financial Reporting (Update No 26).

The Financial Statements are made up of the following:

- General Purpose Financial Statements – pages 11 to 96
- Special Purpose Financial Statements – pages 97 to 112
- Special Schedules – pages 113 to 122

The General Purpose and Special Purpose Financial Statements are independently audited by the Auditor General, reported to Council, placed on public exhibition and lodged with the Office of Local Government.

#### 2017/18 SUMMARY RESULTS

• Total Income from Continuing Operations	\$391.112m
• Total Expenses from Continuing Operations	\$312.643m
• Net Operating Surplus for the period	\$78.469m
• Net Operating Surplus for the period before Capital Grants and Contributions	\$24.870m

• New Capital Works	\$47.710m
• Capital Renewal Works	\$31.040m
• Total Capital Expenditure	\$78.750m

• Total Assets	\$5.153b
• Total Liabilities	\$147.854m
• Net Assets	\$5.005b

• Unrestricted Current Ratio	3.09x
• Debt Service Cover Ratio	4.62x
• Building & Infrastructure Renewals Ratio	99.79%

Northern Beaches Council

**INCOME FROM CONTINUING OPERATIONS**

<b>Income Items</b>	<b>1 July 2017 - 30 June 2018 Actual (\$'000)</b>
Rates & Annual Charges	210,291
User Charges & Fees	80,170
Interest & Investment Revenue	6,195
Other Revenues	24,946
Grants & Contributions provided for Operating Purposes	15,911
Grants & Contributions provided for Capital Purposes	53,599
<b>Total Income from Continuing Operations</b>	<b>391,112</b>

## Northern Beaches Council

### Rates & Annual Charges

Total Rates and Annual Charges were \$210.291m compared to an original budget of \$210.179m.

Of this, total Rates were \$155.545m and total Annual Charges were \$53.455m. Annual Charges for the period are predominantly represented by domestic waste charges. This includes a provision of funds towards a new bin system roll-out associated with the implementation of the new waste collection contract from 1 July 2019.

### User Charges & Fees

Total User Charges & Fees were \$80.170m compared to an original budget of \$79.725m.

The \$80.170m comprised of \$22.098m in tipping fees at the Kimbriki Waste & Recycling Centre and \$58.072m in fees charged by Council for the services it provides. Major items within Council's \$58.072m are Child Care Fees of \$11.832m, Parking Fees of \$11.802m, \$6.980m from the Manly Boy Charlton and the Warringah Aquatic Centre swimming centres, \$6.142m in Planning & Building Regulation fees and \$5.677m from the Lakeside Caravan Park.

### Interest & Investment Revenues

Total Interest and Investment Revenues were \$6.195m compared to an original budget of \$4.712m. This was due to higher than anticipated investment balances as a result of the receipt of \$21.1m from Round 2 of the Stronger Communities Fund and the timing of capital expenditure.

Council's Cash and Investments at the end of the financial year totalled \$218.294m. Council's investment portfolio performed strongly over the financial period returning an average of 2.66%, compared to the bank bill benchmark return of 1.76%.

### Other Revenues

Total Other Revenues were \$24.946m compared to an original budget of \$22.802m. The total \$24.946m comprised of \$2.716m in other revenues at the Kimbriki Waste & Recycling Centre and \$22.230m from Council operations. Major items within Council's \$22.230m include \$7.904m in Parking Fines, \$4.710m from Leases & Licences, \$3.794m from the rental of Council's properties and \$1.062m in advertising income.

### Grants & Contributions provided for Operating Purposes

Total Grants & Contributions provided for Operating Purposes were \$15.911m compared to an original budget of \$12.395m. This was principally due to the advance payment of the first two instalments of the estimated 2018-19 Financial Assistance Grant totalling \$3.973m.

### Grants & Contributions provided for Capital Purposes

Total Grants & Contributions provided for Capital Purposes were \$53.599m compared to an original budget of \$20.858m. This was principally due to the receipt of \$21.1m from the NSW Government under their Stronger Communities Fund program for larger scale priority infrastructure and services projects, other principal components included \$10.544m in developer contributions, \$6.5m from the Roads and Maritime Services relating to the B-Line and \$7.3m representing the fair value of the Manly Memorial Hall.

Northern Beaches Council

**EXPENSES FROM CONTINUING OPERATIONS**

Expense Items	1 July 2017 - 30 June 2018 Actual (\$'000)
Employee Benefits & On-Costs	124,306
Borrowing Costs	3,478
Materials & Contracts	114,200
Depreciation & Amortisation	33,919
Revaluation decrement	987
Other Expenses	34,665
Net Losses from the Disposal of Assets	390
Fair value decrement on investment properties	684
Entities using the Equity Method	14
<b>Total Expenses from Continuing Operations</b>	<b>312,643</b>

## Northern Beaches Council

### Employee Benefits & On-Costs

Total Employee Benefits & On-Costs were \$124.306m compared to an original budget of \$130.786m and represent 39.75% of Council's Total Expenses from Continuing Operations.

### Borrowing Costs

Total Borrowing Costs were \$3.478m for the financial period compared to an original budget of \$3.972m. Borrowing Costs consists of interest on loans of \$2.135m and the amortisation of discounts for remediation liabilities for the Kimbriki Waste Landfill \$1.343m.

The lower than anticipated borrowing costs were principally due to lower interest rates on variable loans.

### Materials & Contracts

Total Materials & Contracts were \$114.2m compared to an original budget of \$115.105. The total \$114.2m comprised of \$11.3m in expenses at the Kimbriki Waste & Recycling Centre and \$102.9m relating to Council's operations. The major items within Council were \$14.563m in waste disposal costs, \$11.408m in garbage collection costs and \$10.238m in maintenance & servicing.

### Depreciation & Amortisation

Total Depreciation and Amortisation \$33.919m compared to an original budget of \$33.310m.

### Other Expenses

Other Expenses were \$34.665m for the financial period. Major items within this include \$8.359m Waste Levy, \$4.201m in electricity & heating, \$5.82m relating to the NSW Government Emergency Services Levy, \$2.885m in insurance costs and \$3.882m for street lighting.

### Net Loss from the Disposal of Assets

The Net Loss from the disposal of assets was \$0.390m. This was principally due to the write down of projects which are either no longer proceeding or operational in nature.

### Revaluation Decrement/Impairment of IPPE

Revaluation decrement/impairment of Infrastructure Property Plant & Equipment was \$0.987m representing a reduction in the fair value of Council's buildings.

### Fair Value Decrement on Investment Properties

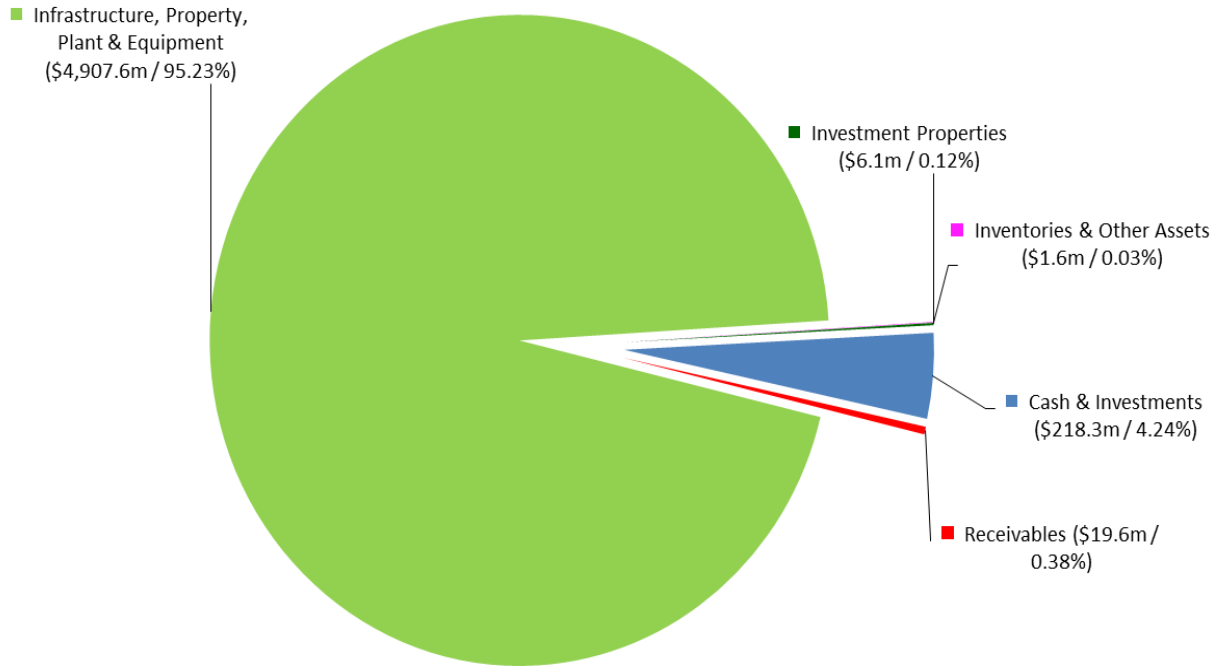

Fair value decrement on investment properties was \$0.684m for the financial period representing a reduction in the fair value of Council's three investment properties.

### Net Share of Interests in Joint Ventures and Associates Using the Equity Method

The Net share of interests in joint ventures using the equity method was \$0.014m representing Council's share of the deficit of the Shorelink joint venture.

<b>Total Non Current Assets</b>	<b>4,918,315</b>
<b>TOTAL ASSETS</b>	<b>5,153,195</b>

## Northern Beaches Council

### ASSETS

#### Cash, Cash Equivalents and Investments

Cash, Cash Equivalents and Investments totalled \$218.294m as at 30 June 2018. This represents an increase of \$29.850m from the 2016-2017 balance. This is principally due to higher than anticipated Grants and Contributions and the timing of capital works.

#### Receivables

Receivables totalled \$19.613m as at 30 June 2018. This is a decrease of \$0.744m from the 2016-2017 balance principally due to the timing of the receipts of Grants and Contributions.

#### Inventories

Inventories totalled \$0.203m as at 30 June 2018 and are represented by stores, materials and trading stock. This was comparable to the 2016-17 balance of \$0.192m.

#### Other Assets

Other Assets are represented by Prepayments which totalled \$1.375m at 30 June 2018. This represents a reduction of \$0.135m from the 2016-17 balance and is principally due to the timing of invoicing by suppliers.

#### Infrastructure, Property, Plant and Equipment

Infrastructure, Property, Plant and Equipment totalled \$4.908b as at 30 June 2018. This represents an increase of \$208.299m from the 2016-17 balance.

During the financial year a full revaluation of Operational Land was undertaken and resulted in an increase in the valuation of \$158.42million. This was credited to the Asset Revaluation Reserve.

A full revaluation of Buildings was also undertaken. The result was an adjustment to the values as follows:

	Prior to Revaluation \$'000	After Revaluation \$'000	Movement \$'000
Cost	557,237	623,860	66,623
Accumulated Depreciation	(91,915)	(159,526)	(67,610)
<b>Total</b>	<b>465,322</b>	<b>464,344</b>	<b>987</b>

The net decrease of \$987 was debited to the Income Statement through the Revaluation Decrement/Impairment of IPPE.

#### Investment Property

Council's investment properties total \$6.085m as at 30 June 2018. This represents an increase of \$4,005m from the 2016-17 balance. Council transferred two properties located at Sydney Road Balgowlah (\$2.982m) and Condamine Street Balgowlah (\$1.707m) to Investment Properties. A revaluation was also undertaken of Council's three investment properties which resulted in a reduction in the total fair value of \$0.684m which was debited to the Income Statement through the Fair Value Decrement on Investment Properties.

## Northern Beaches Council

## LIABILITIES

Liability Items	30 June 2018 Actual (\$'000)
<b>Current Liabilities</b>	
Payables	41,671
Borrowings	5,225
Provisions	29,502
<b>Total Current Liabilities</b>	<b>76,398</b>
<b>Non Current Liabilities</b>	
Borrowings	32,358
Provisions	39,098
<b>Total Non Current Liabilities</b>	<b>71,456</b>
<b>TOTAL LIABILITIES</b>	<b>147,854</b>

### Payables

Payables totalled \$41.671m at 30 June 2018 which represented a decrease of \$3.187m from the 2016-2017 balance. The principal components of the balance were Accounts Payable and Accrued Expenses of \$18.918m, Payments Received in Advance of \$4.501m and Deposits and Retentions of \$17.466m.

### Borrowings

Borrowings totalled \$37.583m at 30 June 2018 which represented a decrease of \$10.435m from the 2016-2017 balance of \$48.018m. Included in the decrease was the early repayment of loans totalling \$5.2m.

### Provisions

Provisions totalled \$68.60m at 30 June 2018. This represents an increase of \$17.999m from the 2016-2017 balance and is principally the result of an increase in the Asset Remediation Provision of \$17.905m following the independent assessment in June 2018 by Mockinya Consulting.

## Northern Beaches Council

### KEY PERFORMANCE INDICATORS

	<b>2018</b>
Operating Performance	7.97%
Own Source Operating Revenue	82.23%
Unrestricted Current Ratio	3.12x
Debt Service Cover Ratio	4.62x
Rates & Annual Charges Outstanding Percentage	3.87%
Buildings & Infrastructure Renewals Ratio	99.79%
Infrastructure Backlog	0.51%
Asset Maintenance Ratio	116.98%
Cost to bring to agreed service level	0.44%

#### Operating Performance

This ratio measures Council's achievement of containing operating expenditure within operating revenue. It is important to distinguish that this ratio is focusing on operating performance and hence capital grants and contributions, fair value adjustments and reversal of revaluation decrements are excluded. The benchmark is greater than 0%.

Council's Operating Performance Indicator at 7.97% is above the benchmark of 0%.

#### Own Source Operating Revenue

This ratio measures fiscal flexibility. It is the degree of reliance on external funding sources such as operating grants and contributions. Council's financial flexibility improves the higher the level of its own source revenue. The benchmark is greater than 60%.

Council's Own Source Operating Revenue Indicator at 82.23% is well above the benchmark of 60% highlighting Council financial flexibility.

#### Unrestricted Current Ratio

The Unrestricted Current Ratio is specific to local government and is designed to represent a Council's ability to meet short term obligations as they fall due. Restrictions placed on various funding sources (e.g. Section 7.11 developer contributions, RMS contributions) complicate the traditional current ratio used to assess liquidity of businesses as cash allocated to specific projects is restricted and cannot be used to meet a Council's other operating and borrowing costs. The benchmark is greater than 1.5.

Council's Unrestricted Current Ratio of 3.12 reflects Council's sound financial position.

#### Debt Service Cover Ratio

This ratio measures the availability of operating cash to service debt including interest, principal and lease payments. The benchmark is greater than 2.

Council's Debt Service Cover Ratio of 4.62 is above the benchmark of 2.

## Northern Beaches Council

### Rates and Annual Charges Outstanding

The purpose of this ratio is to assess the impact of uncollected rates and annual charges on liquidity and the adequacy of recovery efforts.

Council maintains low levels of outstanding rates and annual charges particularly given that it may allow aged pensioners where in its opinion payment would cause hardship to accrue Rates and Charges against their estate.

Council's rates and annual charges outstanding ratio of 3.87% is within the benchmark of <5%.

### Building and Infrastructure Renewal Ratio

The purpose of the Building and Infrastructure Renewal Ratio is to assess the rate at which these assets are being renewed against the rate at which they are depreciating.

Council's ratio of 99.79% is slightly below the benchmark of 100% and represents the timing of the completion of projects.

### Infrastructure Backlog Ratio

This ratio shows what proportion the backlog is against the total value of a Council's infrastructure.

Council's Infrastructure Backlog Indicator is 0.51% which is below the benchmark of 2% indicating that Council does not have a significant infrastructure backlog.

### Asset Maintenance Ratio

This ratio compares actual versus required annual asset maintenance. A ratio of above 1.0 indicates that the Council is investing enough funds within the year to stop the infrastructure backlog from growing. The benchmark is greater than 1.0.

Council's Asset Maintenance Ratio of 116.98% indicates that the level of expenditure on the maintenance of infrastructure assets is sufficient to prevent the infrastructure backlog from growing.

### Cost to Bring Assets to Agreed Service Level

This ratio indicates the proportion of the gross replacement cost of Council's assets that have reached the intervention level set by Council based on the condition of the asset. This ratio is simply the sum of the outstanding renewal works, valued as the work will be undertaken, compared to the total replacement cost of Council's assets.

This ratio provides a meaningful snapshot of the proportion of outstanding renewal works compared to the total suite of assets that Council has under its care and stewardship. The use of the gross replacement cost as the denominator in this ratio provides a more stable measure over time and is easier for Councils to calculate with greater consistency year to year. Council's ratio of 0.44% indicates the cost to bring assets to agreed service levels are at a financially sustainable level.

### General purpose financial statements

for the year ended 30 June 2018

### Statement by Councillors and Management

*made pursuant to Section 413(2)(c) of the Local Government Act 1993 (as amended)*

The attached General Purpose Financial Report has been prepared in accordance with:

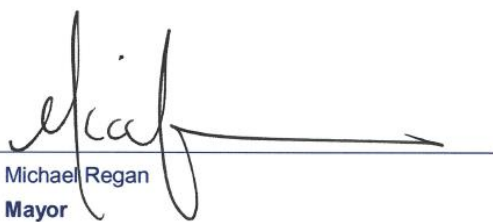

- *the Local Government Act 1993 (as amended)* and the Regulations made thereunder
- The Australian Accounting Standards and professional pronouncements.
- The Local Government Code of Accounting Practice and Financial Reporting.

To the best of our knowledge and belief, these Statements:

- present fairly the Council's operating result and financial position for the period 01 July 2017 to 30 June 2018, and
- accord with Council's accounting and other records.

We are not aware of any matter that would render this Report false or misleading in any way.

Signed in accordance with a resolution of Northern Beaches Council made on 25/09/2018.

## Northern Beaches Council

### Notes to the Financial Statements

for the year ended 30 June 2018

#### Note 1 Basis of Preparation

These financial statements were authorised for issue by Council on 25/09/2018. Council has the power to amend and reissue these financial statements.

The principal accounting policies adopted in the preparation of these consolidated financial statements are set out below. These policies have been consistently applied to all the periods presented, unless otherwise stated.

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards and Australian Accounting Interpretations, the Local Government Act (1993) (NSW) and Regulations, and the Local Government Code of Accounting Practice and Financial Reporting. Northern Beaches Council is a not-for-profit entity. The financial statements are presented in Australian dollars and are rounded to the nearest thousand dollars.

##### **(a) New and amended standards adopted by Council**

The following new standards were adopted during the year. There was no material impact on reported financial position, performance or cash flows of the entity although some additional disclosures have arisen:

- AASB 2016 - 1 Amendments to Australian Accounting Standards - Recognition of Deferred Tax Assets for Unrealised Losses
- AASB 2016 - 2 Disclosure Initiative - Amendment to AASB 107
- AASB 2016 - 4 Disclosure Initiative - Amendments to Australian Accounting Standards - Recoverable Amount of Non-Cash-Generating Specialised Assets of Not-For-Profit Entities
- AASB 2016 - 2 Disclosure Initiative - Amendments to Australian Accounting Standards - Further Annual Improvements 2014 - 2016 cycle
- AASB 124 Related Party Disclosures was adopted during the year. The impact of this standard had no impact on reporting financial position or performance, however additional disclosures have been included.

##### **(b) Historical cost convention**

These financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain financial assets and liabilities and certain classes of infrastructure, property, plant and equipment and investment property.

##### **(c) Significant accounting estimates and judgements**

The preparation of financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Council's accounting policies. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

###### *Critical accounting estimates and assumptions*

Northern Beaches Council makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year include:

- (i) estimated fair values of investment properties - refer Note 11
- (ii) estimated fair values of infrastructure, property, plant and equipment - refer Note 10
- (iii) estimated tip remediation provisions - refer Note 14
- (iv) employee benefit provisions - refer Note 14

###### *Significant judgements in applying the Council's accounting policies*

- (i) Impairment of receivables  
Council has made a significant judgement about the impairment of a number of its receivables - refer Note 7

## Northern Beaches Council

### Notes to the Financial Statements

for the year ended 30 June 2018

#### Note 1 Basis of Preparation (continued)

##### Monies and other assets received by Council

###### *(a) The Consolidated Fund*

In accordance with the provisions of Section 409(1) of the Local Government Act 1993 (NSW), all money and property received by Council is held in the Council's Consolidated Fund unless it is required to be held in the Council's Trust Fund. Cash and other assets of the following entities have been included as part of the Consolidated Fund:

- general purpose operations
- Kimbriki Environmental Enterprises Pty Limited

###### *(b) The Trust Fund*

In accordance with the provisions of Section 411 of the Local Government Act 1993 (NSW) (as amended), a separate and distinct Trust Fund is maintained to account for all money and property received by the Council in trust which must be applied only for the purposes of or in accordance with the trusts relating to those monies. Trust monies and property subject to Council's control have been included in these reports.

##### Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables within the statement of financial position are stated inclusive of any applicable GST. The net amount of GST recoverable from or payable to the ATO is included as a current asset or current liability in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities that are recoverable from, or payable to the taxation authority, are presented as operating cash flows.

##### New accounting standards and interpretations issued but not yet effective

Certain new accounting standards and interpretations have been published that are not mandatory for 30 June 2018. Northern Beaches Council's assessment of the impact of these new standards and interpretations relevant to them is set out on the following pages.

Northern Beaches Council has not applied any pronouncements before their operative date in the annual reporting period beginning 1 July 2017.

# Northern Beaches Council

## Notes to the Financial Statements

for the year ended 30 June 2018

### Note 1 Basis of Preparation (continued)

#### *AASB 9 Financial Instruments and Associated Amending Standards*

Significant revisions to the classification and measurement of financial assets, reducing the number of categories and simplifying the measurement choices, including the removal of impairment testing of assets measured at fair value. The amortised cost model is available for debt assets meeting both business model and cash flow characteristics tests. All investments in equity instruments using AASB9 are to be measured at fair value.

Amends measurement rules for financial liabilities that the entity elects to measure at fair value through profit and loss. Changes in fair value attributable to changes in the entity's own credit risk are presented in other comprehensive income.

Impairment of assets is now based on expected losses in AASB9 which requires Councils to measure:

- the 12-month expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date) of full lifetime
- expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

The available-for-sale investments held will be classified at fair value through OCI and will no longer be subject to impairment testing. The impairment loss recognised in the current period financial statements in relation to these statements was \$Nil.

The model for determining impairment losses in relation to receivables will be amended. The impact of the new model has not yet been quantified, although some impairment may be recognised earlier. Other impacts on the reported financial position and performance have not yet been determined.

The effective date is annual reporting periods beginning on or after 1 January 2018.

#### *AASB 2014 – 10 Sale or contribution of Assets between an Investor and its Associate or Joint Venture.*

#### *AASB 2015 – 10 Amendments to Australian Accounting Standards – Effective Date of Amendments to AASB 10 and AASB 128.*

#### *AASB 2017 – 5 Amendments to Australian Accounting Standards – Effective Date of Amendments to AASB 10 and AASB 128 and Editorial Corrections*

The amendments address an acknowledged inconsistency between the requirements in AASB 10 and those in AASB 128 (2011), in dealing with the sale or contribution of assets between an investor and its associate or joint venture.

The main consequence of the amendments is that a full gain or loss is recognised when a transaction involves a business (whether it is housed in a subsidiary or not). A partial gain or loss is recognised when a transaction involves assets that do not constitute a business, even if these assets are housed in a subsidiary.

The effective date is annual reporting periods beginning on or after January 2022.

#### *AASB16 Leases*

AASB16 will result in most of the operating leases of an entity being brought onto the statement of financial position. There are limited exceptions relating to short-term leases and low-value assets which may remain off the balance sheet.

The calculation of the lease liability will take into account appropriate discount rates, assumptions about the lease term, and increases in lease payments. A corresponding right to use assets will be recognised, which will be amortised over the term of the lease.

Rent expense will no longer be shown. The profit and loss impact of the leases will be through amortisation and interest charges.

Whilst the impact of AASB16 has not yet been fully determined, Council currently has \$536,000 of operating leases which are likely to be brought to account. This will result in a non-current right of use asset and recognition of a lease liability which will be separated into a current and non-current component.

The effective date is annual reporting periods beginning on or after 1 January 2019.

# Northern Beaches Council

## Notes to the Financial Statements

for the year ended 30 June 2018

### Note 1 Basis of Preparation (continued)

#### *AASB 15 Revenue from contracts with customers and associated amending standards*

AASB 15 introduces a five step process for revenue recognition with the core principle of the new standard being for entities to recognise revenue to depict the transfer of goods or services to customers in amounts that reflect the consideration (that is, payment) to which the entity expects to be entitled in exchange for those goods or services.

Accounting policy changes will arise in timing of revenue recognition, treatment of contracts costs and contracts which contain a financing element.

AASB 15 will also result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively (for example, service revenue and contract modifications) and improve guidance for multiple-element arrangements.

The changes in revenue recognition requirements in AASB 15 may cause changes to the timing and amount of revenue recorded in the financial statements as well as additional disclosures. The impact of AASB 15 has not yet been quantified.

The effective date is annual reporting periods beginning on or after 1 January 2019

#### *AASB 1058 Income of Not-for-Profit Entities*

AASB 1058 supersedes all the income recognition requirements relating to Councils, previously in AASB 1004 Contribution. The timing of income recognition depends on whether such a transaction gives rise to a liability or other performance obligation (a promise to transfer a good or service), or a contribution by owners, related to an asset (such as cash or another asset) received by an entity.

AASB 1058 applies when a Council receives volunteer services or enters into other transactions in which the consideration to acquire an asset is significantly less than the fair value of the asset, and where the Council's objective is principally to enable the asset to further the council's objectives. In cases where the Council enters into other transactions, the Council recognises and measures the asset at fair value in accordance with the applicable Australian Accounting Standard (e.g. AASB 116 Property, Plant and Equipment).

Upon initial recognition of the asset, this standard requires Council to consider whether any other financial statement elements (called 'related amounts') should be recognised in accordance with the applicable Accounting Standard, such as:

- (a) contributions by owners
- (b) revenue, or a contract liability arising from a contract with a customer
- (c) a lease liability
- (d) a financial instrument
- (e) a provision

If the transaction is a transfer of a financial asset to enable Council to acquire or construct a recognisable non-financial asset to be controlled by Council (i.e. an in-substance acquisition of a non-financial asset), the Council recognises a liability for the excess of the fair value of the transfer over any related amounts recognised.

Prepaid rates received prior to the beginning of a rating period will now be recognised as a financial liability until the commencement of the rating period.

The effective date is annual reporting periods beginning on or after January 2019.

#### *AASB 2017 – 1 Amendments to Australian Accounting Standards – Transfers of Investment Property 2014-2016 Cycle and Other Amendments (AASB 1, AASB 128, AASB 140)*

This standard makes changes to the following standards:

- AASB1 - deletes some short-term exemptions for first-time adopters that were available only for reporting periods that have passed and to add exemptions arising from AASB Interpretation 22 *Foreign Currency Transactions and Advance Consideration*;
- AASB 128 - clarify that:
  - (i) a venture capital organisation, or a mutual fund, unit trust and similar entities may elect, at initial recognition, to measure investments in an associate or joint venture at fair value through profit or loss separately for each associate or joint venture; and
  - (ii) an entity that is not an investment entity may elect to retain the fair value measurement applied by its associates and joint ventures that are investment entities when applying the equity method. This choice is available separately for each investment entity associate or joint venture; and
- AASB 140 - reflects the principle that an entity transfers a property to, or from, investment property when, and only when, there is a change in use of the property supported by evidence that a change in use has occurred.

The changes to AASB 1 and AASB 128 will have no impact for Councils.

The effective date is annual reporting periods beginning on or after January 2019.

## Northern Beaches Council

### Notes to the Financial Statements

for the year ended 30 June 2018

#### Note 1 Basis of Preparation (continued)

##### *AASB 2018 – 1 Amendments to Australian Accounting Standards – Annual Improvements Cycle 2015 - 2017 Cycle*

This standard makes the following amendments to existing standards:

AASB 3 - clarifies that an entity remeasures its previously held interest in a joint operation when it obtains control of the business

AASB 11 - clarifies that an entity does not remeasure its previously held interest in a joint operation when it obtains joint control of the business.

AASB 112 - clarifies that an entity accounts for all income tax consequences of dividend payments according to where the entity originally recognised the past transactions or events that generated the distributable profits and

AASB 123 - clarifies that an entity treats any borrowing originally made to develop a qualifying asset as part of general borrowings when the asset is ready for its intended use or sale.

The changes are not anticipated to have any impact for Council.

The effective date is annual reporting periods beginning on or after January 2019.

##### *AASB 2017 – 7 Amendments to Australian Accounting Standards – Long term Interests in Associates and Joint Ventures*

This standard amends AASB 128 to clarify that an entity is required to account for long-term investments in an associate or joint venture, which in substance for part of the net investment in the associate or joint venture the equity method is not applied, using AASB 9 Financial Instruments before applying the loss allocation and impairment requirements in AASB 128.

The changes are not anticipated to have any impact for Council.

The effective date is annual reporting periods beginning on or after January 2019.

## Notes to the Financial Statements

for the year ended 30 June 2018

### Note 2(b) Components of functions or activities

Details relating to the Council's functions / activities as reported in Note 2(a) are as follows:

#### Governance

Governance: includes costs relating to Council's role as a component of democratic government, including elections, councillors' fees and expenses, subscriptions to local authority associations, meetings of Council and policy-making committees, public disclosure (e.g. GIPA), and legislative compliance.

#### Administration

Administration: includes corporate support and other support services, engineering works and any Council policy compliance.

#### Public order and safety

Public order and safety: includes Council's fire and emergency services levy, fire protection, emergency services, beach control, enforcement of regulations and animal control.

#### Health

Health: includes immunisation, food control, health centres etc.

#### Environment

Environment: includes noxious plants and insect/vermin control; other environmental protection; solid waste management, including domestic waste; other waste management; other sanitation; and garbage, street cleaning, drainage and stormwater management.

#### Community services and education

Community services and education: includes administration and education; social protection (welfare); migrant, Aboriginal and other community services and administration (excluding accommodation – as it is covered under 'housing and community amenities'); youth services; aged and disabled persons services; children's services, including family day care; child care; and other family and child services.

#### Housing and community amenities

Housing and community amenities: includes public cemeteries; public conveniences; street lighting; town planning; other community amenities, including housing development and accommodation for families and children, aged persons, disabled persons, migrants and Indigenous persons.

#### Recreation and culture

Recreation and culture: includes public libraries; museums; art galleries; community centres and halls, including public halls and performing arts venues; sporting grounds and venues; swimming pools; parks; gardens; lakes; and other sporting, recreational and cultural services.

#### Transport and communication

Transport and communication (urban local, urban regional): includes sealed and unsealed roads, bridges, footpaths and parking areas

#### Economic affairs

Economic affairs: includes camping areas and caravan parks; tourism and area promotion; industrial development promotion; markets; and other business undertakings.

## Northern Beaches Council

### Notes to the Financial Statements

for the year ended 30 June 2018

#### Note 3 Income from continuing operations

	Year Ended 30 June 2018 \$'000	Period 13 May 2016 to 30 June 2017 \$'000
<b>(a) Rates &amp; annual charges</b>		
<b>Ordinary Rates</b>		
Residential	129,691	122,540
Farmland	14	28
Business	25,840	24,633
<b>Total ordinary rates</b>	<b>155,545</b>	<b>147,201</b>
<b>Special Rates</b>		
Business	1,291	1,206
<b>Annual Charges</b> (pursuant to s496, s501 & s611)		
Domestic Waste Management Services	52,384	58,620
Stormwater management services charge	874	946
Section 611 charges	197	102
<b>Total Annual Charges</b>	<b>53,455</b>	<b>59,668</b>
<b>TOTAL RATES &amp; ANNUAL CHARGES</b>	<b>210,291</b>	<b>208,075</b>

Council has used 2016 valuations provided by the NSW Valuer General in calculating its rates

#### Accounting policy for rates and charges

Rates and annual charges are recognised as revenues when the Council obtains control over the assets comprising these receipts. Control over assets acquired from rates and annual charges is obtained at the commencement of the rating year as it is an enforceable debt linked to the rateable property or, where earlier, upon receipt of the rates.

#### Accounting policy for other revenue

Council recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Council, and specific criteria have been met for each of the Council's activities as described below. Council bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

- Parking fees and fines are recognised as revenue when receivable from the State Debt Recovery Office.
- Rental income is accounted for on a straight line basis over the lease term
- Miscellaneous sales are recognised when physical possession has transferred to the customer which is deemed to be the point of transfer of risks and rewards.
- Other revenue is recorded when the payment is due, the value of the payment is notified, or the payment is received, whichever occurs first.

<b>Total grants and contributions</b>	<b>15,911</b>	<b>34,206</b>	<b>53,599</b>	<b>41,486</b>

#### Accounting policy for grants and contributions

Control over grants and contributions is normally obtained upon their receipt (or acquittal) and is valued at the fair value of the granted or contributed asset at the date of transfer.

Where grants or contributions recognised as revenues during the financial year were obtained on condition that they be expended in a particular manner, or used over a particular period, and those conditions were un-discharged at reporting date, the unused grant or contribution is disclosed above.

A liability is recognised in respect of revenue that is reciprocal in nature to the extent that the requisite service has not been provided at reporting date.

Fringe Benefit Tax (FBT)	634	788
Training Costs (other than Salaries & Wages)	1,452	1,241
Recruitment Costs	316	114
Other	967	1,321
<b>Total Employee Costs</b>	<b>128,246</b>	<b>152,575</b>
Less: Capitalised Costs	(3,940)	(2,785)
<b>Total employee costs expended</b>	<b>124,306</b>	<b>149,790</b>

#### Accounting policy for employee benefits and on-costs

Employee benefit expenses are recorded when the service has been provided by the employee.

Retirement benefit obligations - All employees of the Council are entitled to benefits on retirement, disability or death. Council contributes to various defined benefit plans and defined contribution plans on behalf of its employees.

Superannuation plans - Contributions to defined contribution plans are recognised as an expense as they become payable. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

#### Superannuation

##### Defined Benefit Superannuation Contribution Plans

Council is party to an Industry Defined Benefit Plan under the Local Government Superannuation Scheme, named The Local Government Superannuation Scheme – Pool B (the Scheme) which is a defined benefit plan that has been deemed to be a “multi-employer fund” for purposes of AASB119 Employee Benefits. Sufficient information is not available to account for the Scheme as a defined benefit plan in accordance with AASB119 because the assets to the Scheme are pooled together for all Councils. Further information is provided under d) below.

##### a) Description of the funding arrangements, including the method used to determine Council’s rate of contributions and any minimum funding requirements.

Pooled Employers are required to pay standard employer contributions and additional lump sum contributions to the Fund. The standard employer contributions were determined using the new entrant rate method under which a contribution rate sufficient to fund the total benefits over the working life-time of a typical new entrant is calculated. The current standard employer contribution rates are 1.9 times employee contributions.

The additional lump sum contribution for each Pooled Employer is a share of the total additional contributions of \$40.0 million per annum from 1 July 2017 for 4 years to 30 June 2021, apportioned according to each employer's share of the accrued liabilities as at 30 June 2017. These additional lump sum contributions are used to fund the deficit of assets to accrued liabilities as at 30 June 2017. The adequacy of contributions is assessed at each triennial actuarial investigation and monitored annually between triennials.

## Northern Beaches Council

### Notes to the Financial Statements

for the year ended 30 June 2018

#### Note 4 Expenses from continuing operations (continued)

**b) Description of the extent to which Council can be liable to the plan for other entities' obligations under the terms and conditions of the multi-employer plan.**

Each sponsoring employer is exposed to the actuarial risks associated with current and former employees of other sponsoring employers and hence shares in the associated gains and losses.

However, there is no relief under the Fund's trust deed for employers to walk away from their defined benefit obligations. Under limited circumstances, an employer may withdraw from the plan when there are no active members, on full payment of outstanding additional contributions. There is no provision for allocation of any surplus which may be present at the date of withdrawal of the entity.

**c) Description of any agreed allocation of a deficit or surplus on:**

i) Wind-up of the plan

There are no specific provisions under the Fund's trust deed dealing with deficits or surplus on wind-up.

ii) Council's withdrawal from the plan

There is no provision for allocation of any surplus which may be present at the date of withdrawal of an employer.

**d) Additional information under paragraph 34 of AASB119**

i) The plan is a defined benefit plan

ii) The reasons why sufficient information is not available to enable the Council to account for the plan as a defined benefit plan is as follows:

1. Assets are not segregated within the sub-group according to the employees of each sponsoring employer;
2. The contribution rates have been the same for all sponsoring employers. That is, contribution rates have not varied for each sponsoring employer according to the experience relating to the employees of that sponsoring employer;
3. Benefits for employees of all sponsoring employers are determined according to the same formulae and without regard to the sponsoring employer; and
4. The same actuarial assumptions are currently used in respect of the employees of each sponsoring employer.

Given the factors set out above, each sponsoring employer is exposed to the actuarial risks associated with current and former employees of other sponsoring employers and hence shares in the associated gains and losses (to the extent that they are not borne by members). As such we do not believe that there is sufficient reliable information to allow each sponsoring employer to account for its proportionate share of the defined benefit obligation, sub-group assets and costs associated with the sub-group in the same way as it would for a single employer sponsored defined benefit plan.

iii) The expected contributions of fee plan for the next annual reporting period are \$1,891,184.

iv) Information about any deficit or surplus in the plan that may affect the amount of future contributions, including the basis used to determine that deficit or surplus and the implications, if any, for the entity.

The estimated employer reserves financial position for the Pooled Employers at 30 June 2018 is:

Employer reserves only*	\$millions	Asset Coverage
Assets	1,817.80	
Past Service Liabilities	1,787.50	101.70%
Vested Benefits	1,778.00	102.20%

\*excluding member accounts and reserves in both assets and liabilities

The key economic long term assumptions used to calculate the present value of accrued benefits are:

Investment return	6.0% per annum
Salary inflation*	3.5% per annum
Increase in CPI	2.5% per annum

\*Plus promotional increases

The contribution requirements may vary from the current rates if the overall sub-group experience is not in line with the actuarial assumptions in determining the funding program; however, any adjustment to the funding program would be the same for all sponsoring employers in the Pooled Employers group.

v) An indication of the level of participation of Council in the plan compared with other participating entities.

Council's additional lump sum contribution per annum of \$1,063,000 as a percentage of the total additional lump sum contributions for all Pooled Employers (of \$40m each year from 1 July 2017 to 30 June 2021) is 2.66% which provides an indication of the level of participation of Council compared with other employers in the Pooled Employer subgroup.

### Notes to the Financial Statements

for the year ended 30 June 2018

#### Note 6(a) Cash and cash equivalents

	Actual 2018 \$'000	Actual 2017 \$'000
Cash at Bank and on Hand	894	9,806
Deposits at Call	5,143	20,014
<b>Total Cash &amp; Cash Equivalents</b>	<b>6,037</b>	<b>29,820</b>

#### Accounting policy for cash and cash equivalents

For Statement of Cash Flow presentation purposes, cash and cash equivalents include: cash on hand; deposits held at call with financial institutions; other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value; and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the Statement of Financial Position.

## Northern Beaches Council

### Notes to the Financial Statements

for the year ended 30 June 2018

#### Note 6(b) Investments (continued)

##### Accounting policy for investments

###### Classification

Council classifies its investments in the following categories: financial assets at fair value through profit or loss; held-to-maturity investments; and available-for-sale financial assets. The classification depends on the purpose for which the investments were acquired. Management determines the classification of its investments at initial recognition and, in the case of assets classified as held-to-maturity, re-evaluates this designation at each reporting date.

###### (a) Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss are financial assets held for trading. A financial asset is classified in this category if acquired principally for the purpose of selling in the short-term. Assets in this category are held at fair value with changes in value taken through profit or loss at each reporting period

###### (b) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturities that Council's management has the positive intention and ability to hold to maturity. Assets in this category are measured at amortised cost.

###### Recognition and de-recognition

Regular purchases and sales of investments are recognised on trade date: the date on which Council commits to purchase or sell the asset. Investments are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value and transaction costs are expensed in the Income Statement. Investments are de-recognised when the rights to receive cash flows have expired or have been transferred, and Council has transferred substantially all the risks and rewards of ownership.

<b>Total net receivables</b>	<b>18,379</b>	<b>1,234</b>	<b>18,671</b>	<b>1,686</b>

**Accounting policy for receivables****Recognition and Measurement**

Receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment. Receivables are generally due for settlement within 30 days.

**Impairment**

Collectability of receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off by reducing the carrying amount directly. An allowance account (provision for impairment of receivables) is used when there is objective evidence that Council will not be able to collect all amounts due according to the original terms of the receivables. Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy or financial reorganisation, and default or delinquency in payments (more than 30 days overdue) are considered indicators that the receivable is impaired.

The amount of the impairment allowance is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. Cash flows relating to short-term receivables are not discounted if the effect of discounting is immaterial.

The amount of the impairment loss is recognised in the income statement within other expenses. When a receivable for which an impairment allowance had been recognised becomes uncollectible in a subsequent period, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against other expenses in the income statement.

**Note:**

Refer to Note 22 Fair value measurement for information regarding the fair value of other assets held.

**Accounting policy for inventories and other assets**

**Stores, materials and trading stock**

Stores, materials and trading stock are stated at the lower of cost and net realisable value. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

# Northern Beaches Council

## Notes to the Financial Statements

for the year ended 30 June 2018

### NOTE 10 Infrastructure, property, plant & equipment (continued)

#### Accounting policy for infrastructure, property, plant and equipment

Council's assets have been progressively revalued to fair value in accordance with a staged implementation advised by the Office of Local Government.

At balance date the following classes of IPP&E were stated at their fair value:

- Operational land (External Valuation).
- Buildings - Specialised/Non Specialised (Internal/External Valuation).
- Plant and equipment (as approximated by depreciated historical cost).
- Road assets - roads, bridges and footpaths (Internal Valuation)
- Drainage assets - (Internal Valuation)
- Community Land - (Valuer General/Internal Valuation)
- Other structures (Internal Valuation).
- Other assets (as approximated by depreciated historical cost).

Non-specialised assets with short useful lives are measured at depreciated historical cost as an approximation of fair value. Council has assessed that any difference between fair value and depreciated historical cost is unlikely to be material.

For all asset classes, Council assesses at each reporting date whether there is any indication that a revalued asset's carrying amount may differ materially from that which would be determined if the asset were revalued at the reporting date. If any such indication exists, Council determines the asset's fair value and revalues the asset to that amount. Full revaluations are undertaken for all assets on a 5 year cycle.

Increases in the carrying amounts arising on revaluation are credited to the revaluation reserve. To the extent that the increase reverses a decrease previously recognising profit or loss relating to that asset class, the increase is first recognised as profit or loss. Decreases that reverse previous increases of assets in the same class are first charged against revaluation reserves directly in equity to the extent of the remaining reserve attributable to the class; all other decreases are charged to the Income Statement.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to Council and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Income Statement during the financial period in which they are incurred.

Land is not depreciated. Depreciation on other assets is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

<b>Plant &amp; Equipment</b>			<b>Stormwater Drainage</b>		
Office Equipment	4 - 10	years	Drains	60 - 100	years
Office Furniture	10 - 20	years	<b>Transportation Assets</b>		
Vehicles	5 - 8	years	Sealed Roads - Surface	15 - 40	years
Heavy Plant and Road Making Equipment	5 - 8	years	Sealed Roads - Structure	75 - 200	years
Other Plant and Equipment	5 - 15	years	Bridge - Concrete	100	years
<b>Other Equipment</b>			Bridge - Other	100	years
Playground Equipment	5 - 15	years	Road Pavements	50 - 60	years
Benches, seats etc	10 - 20	years	Kerb, Gutter & Paths	80	years
Park Structures - Masonry	50 - 100	years	<b>Other Assets</b>		
Park Structures - Other Construction	20 - 40	years	Library Books	5 - 15	years
<b>Buildings</b>			Artworks	Indefinite	
Buildings - Masonry	50 - 100	years			
Buildings - Other	20 - 40	years			

The assets' useful lives are reviewed, and adjusted if appropriate, at each reporting date. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Income Statement.

**Capitalisation Thresholds** - All items of infrastructure, property, plant and equipment are capitalised with the exception where the cost of acquisition is as follows:

Office Furniture	<	\$5,000
Office Equipment	<	\$5,000
Other Plant and Equipment	<	\$5,000

# Northern Beaches Council

## Notes to the Financial Statements

for the year ended 30 June 2018

### NOTE 10 Infrastructure, property, plant & equipment (continued)

**Land under roads**

Land under roads is land under roadways and road reserves including land under footpaths, nature strips and median strips.

Council has elected not to recognise land under roads acquired before 1 July 2008 in accordance with AASB 1051 Land Under Roads. Any land under roads that was recognised before 1 July 2008 was derecognised at 1 July 2008 against the opening balance of retained earnings. Land under roads acquired after 1 July 2008 is recognised in accordance with AASB 116 - Property, Plant and Equipment.

**Crown Reserves**

Crown Reserves under Council's care and control are recognised as assets of the Council. While ownership of the reserves remains with the Crown, Council retains operational control of the reserves and is responsible for their maintenance and use in accordance with the specific purposes to which the reserves are dedicated.

Improvements on Crown Reserves are also recorded as assets, while maintenance costs incurred by Council and revenues relating to the reserves are recognised with Council's Income Statement.

**Rural Fire Service assets**

Under section 119 of the Rural Fires Act 1997, '*all fire fighting equipment purchased or constructed wholly or from money to the credit of the Fund is to be vested in the Council of the area for or on behalf of which the fire fighting equipment has been purchased or constructed*'. Until such time as discussions on this matter have concluded and the legislation changed, Council will exclude these assets including plant and vehicles and depreciation charges within the financial statements.

Later than 1 year but less than 5 years	171	48
Later than 5 years	-	-
<b>Total Minimum Lease Payments Receivable</b>	<b>453</b>	<b>230</b>

**Accounting policy for investment property**

Investment property, principally comprising buildings, that are held for long-term rental yields and are not occupied by the Council. Investment property is carried at fair value, which is based on active market prices, adjusted, if necessary, for any difference in the nature, location or condition of the specific asset.

- Corporate credit cards	120	198
	<b>1,120</b>	<b>1,598</b>

#### Accounting policy for payables and borrowings

##### Payables

These amounts represent liabilities for goods and services provided to Council prior to the end of the financial year that are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

##### Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Income Statement over the period of the borrowings using the effective-interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the drawdown occurs. To the extent that there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the Statement of Financial Position when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in other income or finance cost.

Borrowings are classified as current liabilities unless Council has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

## Northern Beaches Council

### Notes to the Financial Statements

for the year ended 30 June 2018

#### NOTE 14 Provisions (continued)

The movement in each class of provision (excluding those relating to employee benefits) is presented in the table below.

##### (a) Description of and movement in provisions

	Self Insurance \$'000	Asset Remediation \$'000
At beginning of year	984	18,300
Amounts used	(356)	-
Revised Costs	-	-
Additional Provisions	865	17,905
<b>TOTAL</b>	<b>1,493</b>	<b>36,205</b>

a. Self Insurance Provisions represent both (i) Claims incurred but not reported and (ii) Claims reported and estimated as a result of Council being a self insurer for Workers Compensation Claims. Public Liability and Professional Indemnity claims are expensed as they meet the recognition criteria set out in AASB 137 Provisions, Contingent Liabilities and Contingent Assets.

Specific uncertainties relating to the final costs and the assumptions made in determining Provisions for Self Insurance include:

- Claims Escalation of 2.5% per annum and Bond Yields of between 1.810% and 3.492% per annum over a 12 year period;
- All monetary amounts for past Workers Compensation Claims were indexed to bring them to "standardised" values at June 2018;
- Workers Compensation Claim payments projected into the future by the adopted actuarial model are in "standardised" values as at June 2018;

The last actuarial assessment of Workers Compensation claims was undertaken in July 2018 and was performed by David A Zaman Pty Ltd, Director David Zaman, BSc, FIA, FIAA, MBA.

b. Asset Remediation Provisions represent the Present Value estimate of future costs Council will incur in order to remove, restore and remediate assets and/or activities as a result of past operations. Council is required by law to restore the present tip site at Kimbriki to passive open space at the end of its useful life. The projected cost of this restoration is \$145.8 million based on a Landfill Closure and Post Closure Management Evaluation of Costs Report and has been discounted to its present value at 4.26% per annum being the risk-free cost of borrowing to Council. An Evaluation of Costs for Landfill Closure and Post Closure Management was prepared by Mockinya Consulting in June 2018.

## Northern Beaches Council

### Notes to the Financial Statements

for the year ended 30 June 2018

#### NOTE 14 Provisions (continued)

##### Accounting policy for provisions

Provisions are recognised when Council has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation, and the amount has been reliably estimated.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the reporting date. The discount rate used to determine the present value reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

##### Employee Benefits

###### *Short-term obligations*

Liabilities for wages and salaries (including non-monetary benefits, annual leave and accumulating sick leave expected to be wholly settled within 12 months after the end of the period in which the employees render the related service) are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liability for annual leave and accumulating sick leave is recognised in the provision for employee benefits. All other short-term employee benefit obligations are presented as payables.

###### *Other long-term employee benefit obligations*

The liability for long-service leave and annual leave that is not expected to be wholly settled within 12 months after the end of the period in which the employees render the related service is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures, and periods of service. Expected future payments are discounted using market yields at the end of the reporting period on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

The obligations are presented as current liabilities in the Statement of Financial Position if the Council does not have an unconditional right to defer settlement for at least 12 months after the reporting date, regardless of when the actual settlement is expected to occur.

##### Self-insurance

Council has decided to self-insure for Worker Compensation. A provision for self-insurance has been made to recognise outstanding claims.

## Northern Beaches Council

### Notes to the Financial Statements

for the year ended 30 June 2018

#### NOTE 14 Provisions (continued)

##### Accounting policy for provisions (continued)

##### Provisions for close down and restoration and for environmental clean up costs – Tips

###### Restoration

Close down and restoration costs include the dismantling and demolition of infrastructure and the removal of residual materials and remediation of disturbed areas. Estimated close down and restoration costs are provided for in the accounting period when the obligation arising from the related disturbance occurs, whether this occurs during the development or during the operation phase, based on the net present value of estimated future costs. Provisions for close down and restoration costs do not include any additional obligations which are expected to arise from future disturbance. The costs are estimated on the basis of a closure plan. The cost estimates are calculated annually during the life of the operation to reflect known developments, eg updated cost estimates and revisions to the estimated lives of operations, and are subject to formal review at regular intervals.

Close down and restoration costs are a normal consequence of tip operations, and the majority of close down and restoration expenditure is incurred at the end of the life of the operations. Although the ultimate cost to be incurred is uncertain, Council estimates the respective costs based on feasibility and engineering studies using current restoration standards and techniques.

Other movements in the provisions for close down and restoration costs, including those resulting from new disturbance, updated cost estimates, changes to the estimated lives of operations and revisions to discount rates are capitalised within property, plant and equipment. These costs are then depreciated over the lives of the assets to which they relate.

###### Rehabilitation

Where rehabilitation is conducted systematically over the life of the operation, rather than at the time of closure, provision is made for the estimated outstanding continuous rehabilitation work at each reporting date and the cost is charged to the income statement.

Provision is made for the estimated present value of the costs of environmental clean up obligations outstanding at the reporting date. These costs are charged to the income statement. Movements in the environmental clean up provisions are presented as an operating cost, except for the unwinding of the discount which is shown as a borrowing cost. Remediation procedures generally commence soon after the time the damage, remediation process and estimated remediation costs become known, but may continue for many years depending on the nature of the disturbance and the remediation techniques.

As noted above, the ultimate cost of environmental remediation is uncertain and cost estimates can vary in response to many factors including changes to the relevant legal requirements, the emergence of new restoration techniques or experience at other locations. The expected timing of expenditure can also change, for example in response to changes in quarry reserves or production rates. As a result there could be significant adjustments to the provision for close down and restoration and environmental clean up, which would affect future financial results.

Other movements in the provisions for close-down and restoration costs, including those resulting from new disturbance, updated cost estimates, changes to the estimated lives of operations, and revisions to discount rates, are capitalised within property, plant and equipment. These costs are then depreciated over the lives of the assets to which they relate.

Close-down and restoration costs are a normal consequence of tip operations, and the majority of close-down and restoration expenditure is incurred at the end of the life of the operations. Although the ultimate cost to be incurred is uncertain, Council estimates the respective costs based on feasibility and engineering studies using current restoration standards and techniques.

### Notes to the Financial Statements

for the year ended 30 June 2018

#### Note 16 Statement of cash flows information (continued)

	Actual 2018 \$'000	Actual 2017 \$'000
Notes	\$'000	\$'000
<b>(c) Non-Cash Investing &amp; Financing Activities</b>		
Non Cash Contributions - Land and Buildings	7,620	
	<b>7,620</b>	-
<b>(d) Financing Arrangements</b>		
Unrestricted access was available at balance date to the following:		
Bank Overdraft Facilities <sup>(1)</sup>	1,000	1,400
Corporate Credit Cards	150	198
Bank Guarantee for possible Workers Compensation Claims	1,500	3,000
	<b>2,650</b>	<b>4,598</b>

**Notes:**

<sup>(1)</sup>The Bank overdraft facility may be drawn at any time and may be terminated by the bank without notice. Interest rates on Overdrafts and Loans are disclosed in Note 20.

**(e) Bank guarantees/ Loan guarantees**

Under the Workers Compensation Act 1987, self insurers are required to provide financial security to ensure that other employers in the State will not be required to meet the cost of claims if these entities are not able to meet their workers compensation liabilities. As a self insurer Council has provided State Insurance Regulatory Authority with a bank guarantee for \$1,500,000 to meet this requirement.

Kimbriki Environmental Enterprises Pty Ltd has provided a Bank Guarantee in the amount of \$1,000,000 to the Environmental Protection Authority as a condition to the granting of a licence to Operate a dry waste facility. The amount may be drawn down by the authority if licence conditions are not met. It is not expected that this amount will be drawdown.

## Northern Beaches Council

### Notes to the Financial Statements

for the year ended 30 June 2018

#### Note 17 Interests in other entities

##### Interests in subsidiaries

###### (a) Composition of the Group

	Principal place of business	Percentage % Owned 2018
<b>Subsidiaries</b>		
Kimbriki Environmental Enterprises Pty Limited	Kimbriki Road, Ingleside, NSW	96%

The percentage ownership interest held is equivalent to the percentage voting rights.

The financial position and performance Kimbriki Environmental Enterprises Pty Ltd is for the financial period ended 30 June 2018.

###### Controlled entities with ownership interest of 50% or less

Council does not have any subsidiaries with an ownership interest of less than 50%.

###### (b) Significant restrictions relating to subsidiaries

Council is the majority shareholder in Kimbriki Environmental Enterprises Pty Limited (Company). The Company commenced operating its waste and recycling business on 1 July 2009 with a lease over the Council owned site for a period of 25 years. The one minority shareholder in the Company is Mosman Council.

The Shareholder Agreement requires that a Super Majority Consent of Shareholders (majority shareholder plus one other shareholder) is required for the following decisions:

- any decision of the company to require the Councils to subscribe for further Shares to fund the continuing operation of the Company.
- any decision of the shareholders in relation to any of the following matters:
  - any lease of the Kimbriki Facility from Northern Beaches Council;
  - any call offer in favour of Northern Beaches Council to purchase the Kimbriki Residential Properties (assuming the Company acquires them); and
  - any Collection Contract between the Company and Northern Beaches Council.

Further, an Extraordinary Majority Consent of Shareholders (majority shareholder plus two other shareholders) is required for any decision relating to:

- Constitution amendment: any amendment to the constitution documents of the Company;
- Liquidation: the liquidation of winding up of the Company;
- Capital reorganisation: any reorganisation, reclassification, reconstruction, consolidation or subdivision of the capital of the Company, including any buyback or redemption of Shares, or the creation of any different class of marketable securities in the capital of the Company;
- Significant investments: any agreement by the Company to purchase any asset, make any investment or otherwise commit to a project with a value in a single case, or any number of cases with the same vendor or other contracting party (or person associated with them) in any year with an aggregate value exceeding \$2,500,000;
- Bonus issue: the issue of any bonus shares in the capital of the Company; and
- Share offers: any issue of marketable securities in the capital of the Company, except where this agreement expressly permits otherwise.

Northern Beaches Council now holds the shares of the former Manly, Pittwater and Warringah Councils and for the purposes of the Shareholder Agreement is taken to hold the position of majority shareholder and two other shareholders.

## Notes to the Financial Statements

for the year ended 30 June 2018

### Note 19 Contingencies

The following assets and liabilities do not qualify for recognition in the Balance Sheet, but their knowledge and disclosure is considered relevant to the users of Council's Financial Statements.

#### Contingent Liabilities

##### 1. Guarantees

###### (i) Statewide Limited

Council is a member of Statewide Mutual, a mutual pool scheme providing liability insurance to Local Government. Membership includes the potential to share in either the net assets or liabilities of the fund depending on its past performance. Council's share of the Net Assets or Liabilities reflects Council's contributions to the pool and the result of insurance claims within each of the Fund Years. The future realisation and finalisation of claims incurred but not reported to 30 June this year may result in future liabilities or benefits as a result of past events that Council will be required to fund or share in respectively.

###### (ii) WorkCover

Council provides bank guarantees to the value of \$1,500,000 to secure its self-insurance license for Workers Compensation. The guarantee is provided to the State Insurance Regulatory Authority.

###### (iii) Other Guarantees

Kimbriki Environmental Enterprises Pty Ltd has provided a Bank Guarantee in the amount of \$1,000,000 to the Environmental Protection Authority as a condition to the granting of a licence to operate a dry waste facility. The amount may be drawn down by the authority if licence conditions are not met. It is not expected that this amount will be drawn down.

##### 2. Other Liabilities

###### (i) Third Party Claims

The Council is involved from time to time in various claims incidental to the ordinary course of business including claims for damages relating to its services. Council believes that it is appropriately covered for all claims through its Insurance Coverage and does not expect any material liabilities to eventuate.

###### (ii) S7.11 and S7.12 Plans

Council has significant obligations to provide Section 7.11 and Section 7.12 infrastructure. It is possible that funds contributed may be less than the cost of this infrastructure requiring Council to borrow or use general revenue to fund the difference. (Refer Note 26).

###### (iii) Legal Expenses

Council, the Sydney North Planning Panel and the Northern Beaches Local Planning Panel are ordinarily the planning consent authorities under the Environmental Planning & Assessment Act 1979. Pursuant to that Act, certain persons dissatisfied by a planning decision of the Council or the panels may appeal to the Land & Environment Court. In relation to a determination by a panel, Council is to be the respondent to the appeal but is subject to the control and direction of the panel in connection with the conduct of the appeal. It is the Court's normal practice in Class 1 proceedings that parties bear their own legal costs. In class 4 (or judicial review) proceedings, costs usually follow the event.

At the date of these reports, Council was party to 19 appeals in the Land & Environment Court. All known costs have been recognised, but the amount of further costs cannot be known until the appeals are determined.

Council is involved in other litigation (including civil liability proceedings and Local Court prosecutions). Whilst these matters are unlikely to cost Council in excess of \$100,000 individually (subject to the comments below), the amount of further costs cannot be known until these proceedings are concluded.

###### (iv) Potential Land Acquisitions due to Planning

###### Restrictions imposed by Council

Council has classified a number of privately owned land parcels as Local Open Space or Bushland. As a result, where notified in writing by the various owners, Council will be required to purchase these land parcels. At the reporting date, reliable estimates as to the value of any potential liability (and subsequent land asset) from such potential acquisitions has not been possible.

## Northern Beaches Council

### Notes to the Financial Statements for the year ended 30 June 2018

#### Note 19 Contingencies (continued)

##### (v) Other

At the first meeting of Northern Beaches Council on 19 May 2016, the Administrator undertook to review the Manly Oval project and the Whistler Street project in light of community concerns. At the meeting on 23 August 2016, Council resolved to terminate the Development Deed with Built Development (Manly) Pty Ltd (Built) and Athas Holdings Pty Ltd (Athas). On 15 November 2016, Council provided notice of termination of the Development Deed for the Whistler Street project to Built and Athas. On 25 November 2016, Built and Athas provided to Council a notice under the Development Deed disputing the validity of the termination. Council entered into negotiations with Built and Athas regarding the Whistler Street project and the disputed termination under a Negotiations Deed. These negotiations were without prejudice. The negotiations came to an end without agreement, and Built and Athas provided Council with a letter dated 25 May 2017 terminating the Negotiations Deed effective on or about 25 June 2017. On 26 October 2017, Built and Athas lodged a claim in the Supreme Court of NSW for loss of profit, interest (pursuant to section 100 of the Civil Procedure Act 2005 (NSW)), costs, interest on costs and such further or other orders as the Court thinks fit.

Following Council's List Response to the claim being filed and served, the plaintiffs have filed and served an Amended Commercial List Statement to which Council has served a response. There has followed a series of interlocutory Procedures and an adverse costs order against Council in relation to the interlocutory proceedings. However Council appealed the decision to strike out paragraphs of Council's Commercial List Response and the costs order. Council was successful in its appeal and the plaintiffs were ordered to pay Council's costs of the strike out application and the appeal. Council will continue to defend the claim.

#### Contingent Assets

##### (i) Land Under Roads

As permitted under AASB 1051, Council has elected not to bring to account Land Under Roads that it owned or controlled up to and including 30 June 2008.

##### (ii) Infringement Notices/Fines

Fines and Penalty Income, the result of Council issuing Infringement Notices is followed up and collected by the Infringement Processing Bureau. Councils Revenue Recognition policy for such income is to account for it as revenue on receipt. Accordingly, at Year End, there is a potential asset due to Council not recognising issued but unpaid Infringement Notices.

Due to the limited information available on the status, value and duration of outstanding Notices, Council is unable to determine the value of outstanding income.

##### (iii) Building Commencements

There were no current construction certificates on hand awaiting collection.

There is still building activity that may have commenced without proper approval and payment of appropriate fees. However, investigations into unlawful works will address these in part, and where a Building Information Certificate is sought, all relevant fees are required to be paid that would have been due if works had been commenced lawfully, including construction certificates and development assessment fees.

## Northern Beaches Council

### Notes to the Financial Statements

for the year ended 30 June 2018

#### Note 20 Financial risk management

##### Risk Management

Council's activities expose it to a variety of financial risks including (i) price risk, (ii) credit risk, (iii) liquidity risk and (iv) interest rate risk.

Council's overall risk management program focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Council.

Council does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by Council's Finance Unit under policies approved by the Council.

Council held the following financial instruments at balance date:

	Carrying Value		Fair Value	
	2018	2017	2018	2017
	\$'000	\$'000	\$'000	\$'000
<b>Financial Assets</b>				
Cash and Cash Equivalents	6,037	29,820	6,037	29,820
Receivables	19,613	20,357	19,613	20,357
Financial Assets at Fair value through profit or loss - Held for Trading	871	954	871	954
Held-to-Maturity Investments	211,386	157,670	211,386	157,670
<b>Total Financial Assets</b>	<b>237,907</b>	<b>208,801</b>	<b>237,907</b>	<b>208,801</b>
<b>Financial Liabilities</b>				
Payables	37,170	39,224	37,170	39,224
Borrowings	37,583	48,018	37,583	48,018
<b>Total Financial Liabilities</b>	<b>74,753</b>	<b>87,242</b>	<b>74,753</b>	<b>87,242</b>

##### Note:

Refer to Note 22 for fair value information.

Cash and Cash Equivalents are not measured at Fair Value

## Northern Beaches Council

### Notes to the Financial Statements

for the year ended 30 June 2018

#### Note 20 Financial risk management (continued)

Council's objective is to maximise its return on cash & investments whilst maintaining an adequate level of liquidity and preserving capital. Council's Financial Unit manages its cash and investments portfolio with the assistance of independent advisors. Council has an Investment Policy which complies with the Local Government Act & Minister's Investment Order. The Policy is regularly reviewed by

Council and an Investment Report provided to Council on a monthly basis setting out the make-up and performance of the portfolio.

The risks associated with the investments held are:

- Price risk – the risk that the capital value of investments may fluctuate due to changes in market prices, whether these changes are caused by factors specific to individual financial instruments or their issuers or factors affecting similar instruments traded in a market.
- Interest rate risk – the risk that movements in interest rates could affect returns.
- Credit risk – the risk that a contracting entity will not complete its obligations under a financial instrument resulting in a financial loss to Council.

Council manages these risks by diversifying its portfolio and only purchasing investments with high credit ratings or capital guarantees. Council also seeks advice from its independent advisers before placing any cash and investments.

#### (a) Market risk - price risk and interest rate risk

The impact on result for the period and equity of a reasonably possible movement in the price of investments held is shown below. The reasonably possible movement was determined based on historical movements and economic conditions in place at the reporting date.

	2018 \$'000	2017 \$'000
Impact of a 10% <sup>(1)</sup> movement in price of Investments		
- Equity	87	95
- Income Statement <sup>(2)</sup>	87	95
Impact of a 1% <sup>(1)</sup> movement in Interest Rates on Cash and Investments		
- Equity	2,174	1,875
- Income Statement <sup>(2)</sup>	2,174	1,875

#### Notes:

<sup>(1)</sup> Sensitivity percentages based on management's expectation of future possible market movements. (Price movements calculated on investments subject to fair value adjustments. Interest rate movements calculated on cash, cash equivalents and FRNs.) Recent market volatility has seen larger market movements for certain types of investments.

<sup>(2)</sup> Maximum impact.

## Northern Beaches Council

### Notes to the Financial Statements

for the year ended 30 June 2018

#### Note 20 Financial risk management (continued)

##### (b) Credit risk

Council's major receivables comprise Rates & Annual Charges and User Charges & Fees. The major risk associated with these receivables is credit risk - the risk that debts due and payable to Council may not be repaid. Council manages this risk by monitoring outstanding debt and employing stringent debt recovery policies.

Credit risk on Rates and Annual Charges is minimised by the ability of Council to recover these debts as a secured charge over the land that is, the land can be sold to recover the debt. Council is also able to charge interest on overdue Rates & Annual Charges which further encourages payment.

There are no significant concentrations of credit risk. The level of outstanding receivables is reported to Council quarterly and benchmarks are set and monitored for acceptable collection performance.

Council makes suitable provision for doubtful receivables as required and carries out credit checks on material non-rate debtors.

There are no material receivables that have been subject to a re-negotiation of repayment terms.

The profile of the Council's credit risk at reporting date was:

	Not Yet Due	Overdue Debts				Total
	\$'000	< 1 year \$'000	1-2 years \$'000	2-5 years \$'000	> 5 years \$'000	
<b>Rates and Annual Charges</b>						
2018	-	740	5,762	757	664	7,923
2017	-	3,658	828	1,006	916	6,408

	Not Yet Due	Overdue Debts				Total
	\$'000	< 30 days \$'000	30-60 days \$'000	60-90 days \$'000	> 90 days \$'000	
<b>Receivables - other than rates and annual charges</b>						
2018	9,475	1,021	91	6	1,669	12,262
2017	-	10,185	1,738	369	2,040	14,332

## Northern Beaches Council

## Notes to the Financial Statements

for the year ended 30 June 2018

## Note 20 Financial risk management (continued)

## (c) Liquidity risk

Payables & Borrowings are both subject to liquidity risk - the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due. Council manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer. Payment terms can be extended and overdraft facilities can be drawn down in extenuating circumstances.

The contractual undiscounted cash outflows of Council's Payables & Borrowings are set out in the Liquidity Sensitivity Table below:

\$'000	Due Within 1 Year	Due Between 1 and 5 Years	Due after 5 Years	Total Contractual Cash Flows	Carrying Values
<b>At 30 June 2018</b>					
Payables	37,170	-	-	37,170	37,170
Borrowings	5,214	19,711	12,658	37,583	37,583
<b>Total Financial Liabilities</b>	<b>42,384</b>	<b>19,711</b>	<b>12,658</b>	<b>74,753</b>	<b>74,753</b>

\$'000	Due Within 1 Year	Due Between 1 and 5 Years	Due after 5 Years	Total Contractual Cash Flows	Carrying Values
<b>At 30 June 2017</b>					
Payables	39,224	-	-	39,224	39,224
Borrowings	5,411	21,719	20,888	48,018	48,018
<b>Total Financial Liabilities</b>	<b>44,635</b>	<b>21,719</b>	<b>20,888</b>	<b>87,242</b>	<b>87,242</b>

Borrowings are also subject to interest rate risk – the risk that movements in interest rates could adversely affect funding costs. Council manages this risk by borrowing long term and fixing the interest rate on a 4 year renewal basis. The Finance Unit regularly reviews interest rate movements to determine if it would be advantageous to refinance or renegotiate part or all of the loan portfolio.

The following interest rates were applicable to Council's Borrowings at balance date:

	30 June 2018		30 June 2017	
	Weighted Average Interest Rate	Balance \$'000	Weighted Average Interest Rate	Balance \$'000
Overdraft	-	-	-	-
Bank Loans - Fixed	5.3%	27,537	5.3%	34,550
- Variable <sup>(1)</sup>	3.7%	10,046	3.5%	13,468
		<b>37,583</b>		<b>48,018</b>

<sup>(1)</sup> The interest rate risk applicable to Variable Rate Bank Loans is not considered significant.

# Northern Beaches Council

## Notes to the Financial Statements

for the year ended 30 June 2018

### Note 21 Material budget variations

Council's original budget was adopted by council on 27 June 2017 and is not required to be audited. The original projections on which the budget was based have been affected by a number of factors. These include state and federal government decisions, including new grant programs, changing economic activity, the weather, and by decisions made by the Council. Material variations of more than 10% are explained below.

#### Revenues

##### 1 Investment Fees and Revenues

Total Interest and Investments were \$6.195 million compared to an Original Budget of \$4.712 million. This was due to higher than anticipated investments balances as a result of the receipt of \$21.1 million from Round 2 of the Stronger Communities Fund and the timing of capital expenditure.

##### 2 Grants and Contributions provided for operating purposes

Total Grants and Contributions provided for operating purposes were \$15.911 million compared to an Original Budget of \$12.395 million. This was principally due to the advance payment of the first two instalments of the estimated 2018-19 Financial Assistance Grant totalling \$3.973 million.

##### 3 Grants and Contributions provided for capital purposes

Total Grants and Contributions provided for capital purposes were \$53.599 million compared to an Original Budget of \$20.858 million. This was principally due to the receipt of \$21.1 million from Round 2 of the Stronger Communities Fund, \$6.5 million from the Roads and Maritime Services relating to the B-Line and \$7.3 million representing the fair value of the Manly Memorial Hall.

#### Expenses

##### 1 Borrowing Costs

Total Borrowing Costs were \$3.478 million compared to an Original Budget of \$3.972 million. This was principally due to lower interest rates on variable loans than was assumed when the budget was developed.

##### 2 Other Expenses

Total Other Expenses were \$34.655 million compared to an original Budget of \$40.050 million. This was principally due to a grant of \$3 million proposed to residents for the Collaroy - Narrabeen Beach Seawall works.

##### 3 Net loss from the disposal of assets

Total Net loss from the disposal of assets were \$0.390 million. This is principally due to the writedown of projects which are either no longer proceeding or operational in nature.

##### 4 Revaluation decrement/impairment of IPPE

The Revaluation decrement/impairment of Infrastructure, Property, Plant and Equipment (IPPE) was \$0.987 million representing a reduction in the fair value of Council's buildings

##### 5 Fair value decrement on investment properties

The Revaluation decrement/impairment of investment properties was \$0.684 million representing a reduction in the fair value of Council's three investment properties.

##### 6 Net share of interests in joint ventures using the equity method

The Net share of interests in joint ventures using the equity method was \$0.014 million representing Council's share of the deficit of the Shorelink joint venture.

## Northern Beaches Council

### Notes to the Financial Statements

for the year ended 30 June 2018

#### Note 22 Fair value measurement

The Council measures the following assets and liabilities at fair value on a recurring basis.

- Infrastructure and property
- Investment property
- Financial assets

During a reporting period Council will measure non-current assets classified as held for sale at fair value on a non-recurring basis if their carrying amount is higher than their fair value and therefore the assets needs to be written down to fair value. They are measured at the lower of their carrying amount and fair value less costs to sell. During the current reporting period, there were no assets measured at fair value on a non-recurring basis.

Non-current assets are classified as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable and the asset is available for immediate sale in its present condition.

#### Fair value hierarchy

AASB 13 *Fair Value Measurement* requires all assets and liabilities measured at fair value to be assigned to a level in the fair value hierarchy as follows:

Level 1	Unadjusted quoted prices in active markets for identical assets or liabilities that the Council can access at the measurement date.
Level 2	Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
Level 3	Unobservable inputs for the asset or liability.

The table below shows the assigned level for each asset and liability held at fair value by the Council

	Note	Level 2 Significant observable inputs \$'000		Level 3 Significant unobservable inputs \$'000		Total \$'000	
		2018	2017	2018	2017	2018	2017

for the year ended 30 June 2018

## NOTE 26 Statement of performance measures - consolidated results

\$ '000	Amounts			Benchmark
	2018 \$'000	2018 Indicators	2017 Indicators	
<b>1. Operating Performance</b>				<b>&gt;0</b>
Total continuing operating revenue <sup>1</sup> excluding capital grants and contributions less operating expenses	<b>26,914</b>	7.97%	1.31%	
Total continuing operating revenue <sup>1</sup> excluding capital grants and contributions	<b>337,482</b>			
<b>2. Own Source Operating Revenue</b>				<b>&gt;60%</b>
Total continuing operating revenue <sup>1</sup> excluding all grants and contributions	<b>321,571</b>	82.23%	81.15%	
Total continuing operating revenue <sup>1</sup> inclusive of capital grants and contributions	<b>391,081</b>			
<b>3. Unrestricted Current Ratio</b>				<b>&gt;1.5x</b>
Current assets less all external restrictions	<b>141,703</b>	3.09x	2.67x	
Current liabilities less specific purpose liabilities	<b>45,817</b>			
<b>4. Debt Service Cover Ratio<sup>2</sup></b>				<b>&gt;2x</b>
Operating Results <sup>1</sup> before capital excluding interest and depreciation/impairment/amortisation	<b>64,311</b>	4.62x	1.00x	
Principal repayments (from the statement of cash flows) plus borrowing interest costs (from the income statement)	<b>13,913</b>			
<b>5. Rates and Annual Charges Outstanding Percentage</b>				<b>&lt;5%</b>
Rates and Annual Charges Outstanding	<b>8,430</b>	3.87%	2.80%	
Rates and Annual Charges Collectible	<b>217,743</b>			
<b>6. Cash Expense Cover Ratio</b>				<b>&gt;3 months</b>
Current period's cash and cash equivalents + term deposits	<b>217,423</b>	8.59 months	5.94 months	
Payments from cash flow of operating and financing activities	<b>25,299</b>			

## Note:

<sup>1</sup> Excludes fair value adjustments, reversal of revaluation decrements, net gain on sale of assets and net share of interests in joint ventures

<sup>2</sup> In 2017 this ratio was impacted by the early repayment of three loans. In the absence of these early repayments of \$35.6m the ratio would be 4.18x which is well above the benchmark

## Northern Beaches Council

### Notes to the Financial Statements

for the year ended 30 June 2018

#### Note 27 Local Government amalgamation

The Local Government (Council Amalgamations) Proclamation 2016 ('the Proclamation') under the Local Government Act 1993 (NSW) transferred the assets and liabilities of the former Manly, Pittwater and Warringah Councils to Northern Beaches Council as at 12 May 2016.

<b>Gain on local government amalgamation</b>	<b>2018</b>	<b>2017</b>
	<b>\$'000</b>	<b>\$'000</b>
Net Assets and liabilities of former Councils	-	4,591,392
Adjustments between former Council carrying amount of assets and fair values recognised in Northern Beaches Council	-	127,922
Accounting policy adjustments	-	813
	-	4,720,127
Adjustment to Retained earnings - Non Controlling Interest transfer on Amalgamation	-	(1,445)
	-	4,718,682

#### Adjustments between former Council carrying amount of assets and fair values recognised in Northern Beaches Council

There were no adjustments to the carrying amount of the assets and liabilities received as part of the amalgamation in the current financial year.

<b>Adjustments made to recognise net assets at fair value</b>	<b>2018</b>	<b>2017</b>
	<b>\$'000</b>	<b>\$'000</b>
• write-off of assets where original cost is below Council's capitalisation threshold	-	(555)
• changes in asset values due to comprehensive valuation process	-	138,590
• changes in the fair value of Inventory, Receivables, Payables & Provisions	-	233
• other adjustments (please specify)	-	(10,346)
- Elimination of Equity Investment	-	(10,346)
Total adjustments	-	127,922

#### Accounting policy adjustments

The following Accounting Policy adjustments have been made to the assets and liabilities of the former Manly, Pittwater and Warringah Councils as a result of amalgamation:

<b>Accounting Policy adjustments</b>	<b>2018</b>	<b>2017</b>
	<b>\$'000</b>	<b>\$'000</b>
• to align the basis for the calculation of Debtors	-	330
• to align the basis for the calculation of Payables	-	(433)
• to align the basis for the calculation of Employee Provisions	-	189
• to align the basis for the calculation of Other Provisions	-	(899)
	-	(813)

## INDEPENDENT AUDITOR'S REPORT

Report on the general purpose financial report

Northern Beaches Council

To the Councillors of the Northern Beaches Council

### Opinion

I have audited the accompanying financial report of Northern Beaches Council (the Council), which comprise the Income Statement and Statement of Comprehensive Income for the year ended 30 June 2018, the Statement of Financial Position as at 30 June 2018, the Statement of Changes in Equity and Statement of Cash Flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the Statement by Councillors and Management.

In my opinion,

- the Council's accounting records have been kept in accordance with the requirements of the *Local Government Act 1993*, Chapter 13, Part 3, Division 2 (the Division)
- the financial report:
  - has been presented, in all material respects, in accordance with the requirements of this Division
  - is consistent with the Council's accounting records
  - presents fairly, in all material respects, the financial position of the Council as at 30 June 2018, and of its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards
- all information relevant to the conduct of the audit has been obtained
- no material deficiencies in the accounting records or financial report have come to light during the audit.

My opinion should be read in conjunction with the rest of this report.

### Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under the standards are described in the 'Auditor's Responsibilities for the Audit of the Financial Report' section of my report.

I am independent of the Council in accordance with the requirements of the:

- Australian Auditing Standards
- Accounting Professional and Ethical Standards Board's APES 110 'Code of Ethics for Professional Accountants' (APES 110).

I have fulfilled my other ethical responsibilities in accordance with APES 110.

Parliament promotes independence by ensuring the Auditor-General and the Audit Office of New South Wales are not compromised in their roles by:

- providing that only Parliament, and not the executive government, can remove an Auditor-General
- mandating the Auditor-General as auditor of councils
- precluding the Auditor-General from providing non-audit services.

I believe the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

## Other Information

Other information comprises the information included in the Council's annual report for the year ended 30 June 2018, other than the financial report and my Independent Auditor's Report thereon. The Councillors are responsible for the other information. At the date of this Independent Auditor's Report, the other information I have received comprise the special purpose financial statements and Special Schedules (the Schedules).

My opinion on the financial report does not cover the other information. Accordingly, I do not express any form of assurance conclusion on the other information. However, as required by the *Local Government Act 1993*, I have separately expressed an opinion on the special purpose financial statements and Special Schedule 2 - Permissible income for general rates.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude there is a material misstatement of the other information, I must report that fact.

I have nothing to report in this regard.

## The Councillors' Responsibilities for the Financial Report

The Councillors are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the *Local Government Act 1993*, and for such internal control as the Councillors determine is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Councillors are responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting except where the Council will be dissolved or amalgamated by an Act of Parliament, or otherwise cease operations.

## Auditor's Responsibilities for the Audit of the Financial Report

My objectives are to:

- obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error
- issue an Independent Auditor's Report including my opinion.

Reasonable assurance is a high level of assurance, but does not guarantee an audit conducted in accordance with Australian Auditing Standards will always detect material misstatements. Misstatements can arise from fraud or error. Misstatements are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions users take based on the financial report.

A description of my responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: [www.auasb.gov.au/auditors\\_responsibilities/ar4.pdf](http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf). The description forms part of my auditor's report.

My opinion does *not* provide assurance:

- that the Council carried out its activities effectively, efficiently and economically
- on the Original Budget information included in the Income Statement, Statement of Cash Flows, and Note 21 Material budget variations
- on the Special Schedules. A separate opinion has been provided on Special Schedule 2 - Permissible income for general rates
- about the security and controls over the electronic publication of the audited financial report on any website where it may be presented
- about any other information which may have been hyperlinked to/from the financial report.

A handwritten signature in blue ink, appearing to read 'W. Liao', with a vertical line extending downwards from the 'L'.

17 October 2018

Dear Mayor

## Report on the Conduct of the Audit for the year ended 30 June 2018 Northern Beaches Council

I have audited the general purpose financial statements of the Northern Beaches Council (the Council) for the year ended 30 June 2018 as required by section 415 of the *Local Government Act 1993* (the Act).

I expressed an unmodified opinion on the Council's general purpose financial statements.

This Report on the Conduct of the Audit (the Report) for the Council for the year ended 30 June 2018 is issued in accordance with section 417 of the Act. This Report should be read in conjunction with my audit opinion on the general purpose financial statements issued under section 417(2) of the Act.

### INCOME STATEMENT

#### Operating result

	2018 \$m	2017 * \$m	Variance %
Rates and annual charges revenue	210.3	208.1	↑ 1.1
Grants and contributions revenue	69.5	75.7	↓ 8.2
Operating result for the year	78.5	48.9	↑ 60.5
Net operating result before capital amounts	24.9	7.5	↑ 232
Gain on local government amalgamation	–	4,718.7	

\* 13 May 2016 to 30 June 2017

Council's operating result (\$78.5 million including the effect of depreciation and amortisation expense of \$33.9 million) was \$29.6 million higher than the 2016–17 result. The increase from the previous period is primarily due to the differing reporting periods. Council was formed on 12 May 2016 following an amalgamation and the initial reporting period was from 13 May 2016 to 30 June 2017. The operating result for the period ended 30 June 2017 was affected by the additional expenses attributed to the extended period.

The net operating result before capital grants and contributions (\$24.9 million) was \$17.4 million higher than the 2016–17 result. The increase is mainly due to the additional expenses attributed to the extended prior period as noted above.

Rates and annual charges revenue (\$210.3 million) increased by \$2.2 million (1.1 per cent) in 2017–2018. The variance can be attributed to an increase in rates arising from a special variation relating to the former Warringah Council offset by a reduction in annual charges due to the differing reporting periods.

Grants and contributions revenue (\$69.5 million) decreased by \$6.2 million (8.2 per cent) in 2017–2018 due to:

- \$3.9 million of 2017–2018 financial assistance grants received in 2016–17
- one-off 'New Council Implementation Fund' grant of \$10 million was received in 2016–17
- the above decreases were offset by an increase of \$6 million in capital funding from the 'Stronger Communities Fund'.

## STATEMENT OF CASH FLOWS

- Council's cash and cash equivalents balance at 30 June 2018 was \$6 million. The net cash flow for the period was a decrease of \$23.8 million.
- The reduction is mainly due to investing in longer term deposits and holding fewer funds in cash and cash equivalents.
- Financing activities for the previous period included the early repayment of \$35.7 million of borrowings. Loan repayments for 2017–18 were \$10.4 million.

## FINANCIAL POSITION

### Cash and Investments

Cash and Investments	2018	2017	Commentary
	\$m	\$m	
External restrictions	95.1	77.7	• External restrictions mainly relating to developer contributions, specific purpose grants and Domestic Waste funds. Unspent grants from the 'Stronger Communities Fund' have increased by \$17.4 million.
Internal restrictions	40.9	37.7	
Unrestricted	82.3	73.1	
<b>Cash and investments</b>	<b>218.3</b>	<b>188.5</b>	• Internal restrictions primarily relate to employee leave entitlements and deposits, retentions and bonds. • Significant amount of unrestricted cash to fund day-to-day operations.

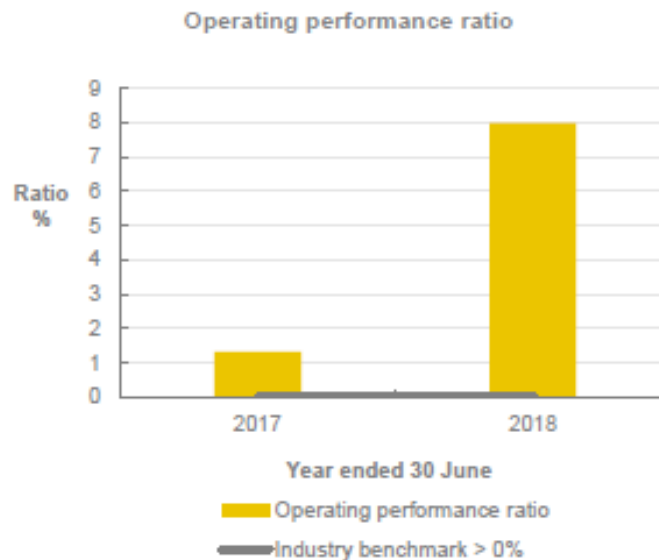

## PERFORMANCE RATIOS

The definition of each ratio analysed below (except for the 'building and infrastructure renewals ratio') is included in Note 26 of the Council's audited general purpose financial statements. The 'building and infrastructure renewals ratio' is defined in Council's Special Schedule 7 which has not been audited.

### Operating performance ratio

- The indicator of 8.0 per cent was above the industry benchmark of greater than zero per cent. The ratio for the previous period was impacted by the additional amalgamation grants received as well as a higher level of expenditure related to amalgamation. The ratio was also affected by the longer accounting period expenses with no corresponding rates revenue.

The 'operating performance ratio' measures how well council contained operating expenditure within operating revenue (excluding capital grants and contributions, fair value adjustments, and reversal of revaluation decrements). The benchmark set by the Office of Local Government (OLG) is greater than zero per cent.

## Own source operating revenue ratio

- Council's own source operating revenue ratio of 82.2 per cent reflects a low level of reliance on externally sourced grant revenue and exceeded the OLG benchmark of greater than 60 per cent.

The 'own source operating revenue ratio' measures council's fiscal flexibility and the degree to which it relies on external funding sources such as operating grants and contributions. The benchmark set by OLG is greater than 60 per cent.

## Unrestricted current ratio

- This ratio indicated that Council currently had 3.1 times of unrestricted assets available to service every one dollar of its unrestricted current liabilities. This exceeded the industry benchmark.

The 'unrestricted current ratio' is specific to local government and represents council's ability to meet its short-term obligations as they fall due. The benchmark set by OLG is greater than 1.5 times.

## Debt service cover ratio

- The debt service cover ratio of 4.6 times exceeded the industry benchmark.
- The ratio for the previous period was impacted by the early repayment of borrowings.

The 'debt service cover ratio' measures the operating cash to service debt including interest, principal and lease payments. The benchmark set by OLG is greater than two times.

### Rates and annual charges outstanding ratio

- Council outstanding rates and charges ratio of 3.9 per cent was within the industry benchmark of less than five per cent.

The 'rates and annual charges outstanding ratio' assesses the impact of uncollected rates and annual charges on council's liquidity and the adequacy of debt recovery efforts. The benchmark set by OLG is less than 5 per cent for metro councils.

### Cash expense cover ratio

- Council's cash expense cover ratio of 8.6 months well exceeded the benchmark of greater than three months due to the significant cash reserves and investment balances at the end of the year.

This liquidity ratio indicates the number of months the Council can continue paying for its immediate expenses without additional cash inflow. The benchmark set by OLG is greater than three months.

### Building and infrastructure renewals ratio (unaudited)

- Council's building and infrastructure renewals ratio of 99.8 per cent did not meet the benchmark due to planned asset renewals not being completed by the financial year end.

The 'building and infrastructure renewals ratio' assesses the rate at which these assets are being renewed against the rate at which they are depreciating. The benchmark set by OLG is greater than 100 per cent.

This ratio is sourced from council's Special Schedule 7 which has not been audited.

## OTHER MATTERS

### Council Entities

The financial statements of Council include the consolidation of Council's controlled entity, Kimbriki Environmental Services Pty Limited.

### New accounting standards implemented

#### AASB 2016-2 'Disclosure Initiative – Amendments to AASB 107'

Effective for annual reporting periods beginning on or after 1 January 2017

This Standard requires entities to provide disclosures that enable users of financial statements to evaluate changes (both cash flows and non-cash changes) in liabilities arising from financing activities.

Council's disclosure of the changes in their liabilities arising from financing activities is disclosed in Note 13(b).

#### AASB 124 'Related Party Disclosures'

Effective for annual reporting periods beginning on or after 1 July 2016

AASB 2015-6 extended the scope of AASB 124 to include not-for-profit public sector entities. As a result, Council's financial statements disclosed the:

- compensation paid to their key management personnel
- nature of their related party relationships
- amount and nature of their related party transactions, outstanding balances and commitments and outstanding balances (including commitments).

### Legislative compliance

My audit procedures did not identify any instances of non-compliance with legislative requirements or a material deficiency in the Council's accounting records or financial reports. The Council's:

- accounting records were maintained in a manner and form to allow the general purpose financial statements to be prepared and effectively audited
- staff provided all accounting records and information relevant to the audit.

<b>Income Statement of Other Business Activities</b>	100
<b>Balance Sheet of Other Business Activities</b>	104
<b>Notes to the Special Purpose Financial Reports</b>	108
<b>Auditor's Report</b>	110

### BACKGROUND

The Special Purpose Financial Statements have been prepared for the use by both Council and the Office of Local Government in fulfilling their requirements under National Competition Policy.

The principle of competitive neutrality is based on the concept of a "level playing field" between persons/entities competing in a market particularly between private and public sector competitors. Essentially, the principle is that government businesses, whether Commonwealth, State or Local, should operate without net competitive advantages over other businesses as a result of their public ownership.

For Council, the principle of competitive neutrality and public reporting applies only to declared business activities. These include (a) those activities classified by the Australian Bureau of Statistics as business activities being water supply, sewerage services, abattoirs, gas production and reticulation and (b) those activities with a turnover of over \$2 million that Council has formally declared as a Business Activity (defined as Category 1 activities).

In preparing these financial reports for Council's self classified Category 1 businesses and ABS defined activities, councils must (a) adopt a corporatisation model and (b) apply full cost attribution including tax equivalent regime payments & debt guarantee fees (where the business benefits from councils borrowing position by comparison with commercial rates).

## Northern Beaches Council

### Special purpose financial statements for the year ended 30 June 2018

#### Statement by Councillors and Management made pursuant to the Local Government Code of Accounting Practice and Financial Reporting

(a) To the best of our knowledge and belief the attached Special Purpose Financial Statements have been prepared for referral to the auditor in accordance with:

- the Local Government Act 1993 (NSW) (as amended) and the regulations made thereunder
- the Australian Accounting Standards and other pronouncements of the Australian Accounting Standards Board
- the Local Government Code of Accounting Practice and Financial Reporting

(b) These statements:

- present fairly Council's Operating Result and Financial Position for the year
- accord with Council's accounting and other records

(c) We are not aware of any matter that would render this report false or misleading in any way.

Signed in accordance with clause 215(1)(b) of the Local Government (General) Regulation 2005.

## Northern Beaches Council

### Notes to the Special Purpose Financial Statements

for the year ended 30 June 2018

#### Note 1 Significant accounting policies

A statement summarising the supplemental accounting policies adopted in the preparation of the Special Purpose Financial Statements (SPFS) for National Competition Policy reporting purposes follows:

These financial statements are a SPFS prepared for use by the Council and the Office of Local Government. For the purposes of these statements, the Council is a non-reporting not-for-profit entity.

The figures presented in these special purpose financial statements have been prepared in accordance with the recognition and measurement criteria of relevant Australian Accounting Standards, other authoritative pronouncements of the Australian Accounting Standards Board and Australian Accounting Interpretation.

The disclosures in these special purpose financial statements have been prepared in accordance with the Local Government Act 1993 (NSW), the Local Government (General) Regulation 2005 and the Local Government Code of Accounting Practice and Financial Reporting.

The statements are prepared on an accruals basis, they are based on historic costs and do not take into account changing money values, or except where specifically stated, current values of non-current assets. Certain taxes and other costs, appropriately described have been imputed for the purposes of the National Competition Policy.

The Statement of Financial Position includes notional assets/ liabilities receivable from/payable to Council's general fund. These balances reflect a notional intra-entity funding arrangement with the declared business activities.

#### National Competition Policy

Council has adopted the principle of 'competitive neutrality' to its business activities as part of the national competition policy which is being applied throughout Australia at all levels of government. The framework for its application is set out in the June 1996 Government Policy statement on the 'Application of National Competition Policy to Local Government'. The 'Pricing & Costing for Council Businesses A Guide to Competitive Neutrality' issued by the Division of Local Government in July 1997 has also been adopted.

The pricing and costing guidelines outline the process for identifying and allocating costs to activities and provide a standard of disclosure requirements. These disclosures are reflected in Council's pricing and/or financial reporting systems and include taxation equivalents, Council subsidies, and returns on investments (rate of return and dividends paid).

#### Declared Business Activities

In accordance with *Pricing & Costing for Council Businesses - A Guide to Competitive Neutrality*, Council has declared that the following are to be considered as business activities:

##### Category 1

(where gross operating turnover is over \$2 million)

**Children's Services** - Child Care, Pre-school and Long Day Care

**Kimbriki Environmental Enterprises Pty Limited** - Waste landfill and resource recovery management

**Glen Street Theatre** - Council's local Theatre

**Parking Stations** - Whistler Street, Manly National, Manly Pacific and Peninsula Parking Stations in Manly.

**Aquatic Centres** - Manly Andrew "Boy" Charlton Swim Centre and Warringah Aquatic Centre

**Sydney Lakeside Caravan Park** - Permanent and short stay caravan park accommodation

##### Category 2

(where gross operating turnover is less than \$2 million)

**Certification** - Construction Certificate Certification activity of the Urban Development Approval Service (part of Council's Local Approval Service Unit)

#### Monetary Amounts

Amounts shown in the financial statements are in Australian currency and rounded to the nearest one thousand dollars.

#### (i) Taxation Equivalent Charges

Council is liable to pay various taxes and financial duties. Where this is the case, they are disclosed as a cost of operations (Special Purpose Financial Statements) just like all other costs. However, where Council does not pay some taxes which are generally paid by private sector businesses, such as income tax, these equivalent tax payments have been applied to all Council nominated business activities and are reflected in the SPFS. For the purposes of disclosing comparative information relevant to the private sector equivalent, the following taxation equivalents have been applied to all Council nominated business activities (this does not include Council's non-business activities):

Corporate Income Tax Rate – 30%

Land Tax – The first \$629,000 of combined land values attracts 0%. From \$629,001 to \$3,846,000 the rate is 1.6% + \$100. For the remaining combined land value that exceeds \$3,846,000, a premium marginal rate of 2.0% applies.

Payroll Tax – 5.45% on the value of taxable salaries and wages in excess of \$750,000.

## Northern Beaches Council

### Notes to the Special Purpose Financial Statements

for the year ended 30 June 2018

#### Note 1 Significant accounting policies (continued)

##### Income Tax

An income tax equivalent has been applied on the profits of the business activities. Whilst income tax is not a specific cost for the purpose of pricing a good or service, it needs to be taken into account of in terms of assessing the rate of return required on capital invested. Accordingly, the return on capital invested is set at a pre-tax level (gain/(loss) from ordinary activities before capital amounts) as would be applied by a private sector competitor – that is, it should include a provision equivalent to the corporate income tax rate, currently 30%.

Income Tax is only applied where a positive gain/(loss) from ordinary activities before capital amounts has been achieved. Since the taxation equivalent is notional - that is, it is payable to the "Council" as the owner of business operations, it represents an internal payment and has no effect on the operations of the Council.

Accordingly, there is no need for disclosure of internal charges in the SPFS. The rate applied of 30% is the equivalent company tax rate prevalent as at reporting date. No adjustments have been made for variations that have occurred during the year.

##### Local Government Rates & Charges

A calculation of the equivalent rates and charges payable on all Category 1 businesses has been applied to all land assets owned or exclusively used by the business activity.

##### Loan & Debt Guarantee Fees

The debt guarantee fee is designed to ensure that Council business activities face "true" commercial borrowing costs in line with private sector competitors. In order to calculate a debt guarantee fee, Council has determined what the differential borrowing rate would have been between the commercial rate and the Council's borrowing rate for its business activities

##### (ii) Subsidies

Government policy requires that subsidies provided to customers and the funding of those subsidies must be explicitly disclosed. Subsidies occur where Council provides services on a less than cost recovery basis. This option is exercised on a range of services in order for Council to meet its community service obligations. The overall effect of subsidies is contained within the Income Statement of Business Activities.

##### (iii) Return on Investments (Rate of Return)

The Policy statement requires that Councils with Category 1 businesses "would be expected to generate a return on capital funds employed that is comparable to rates of return for private businesses operating in a similar field". Funds are subsequently available for meeting commitments or financing future investment strategies. The rate of return achieved is disclosed for each of Council's business activities on the Income Statement.

##### (iv) Dividends

Council is not required to pay dividends to either itself as owner of a range of businesses or to any external entities.

## INDEPENDENT AUDITOR'S REPORT

Report on the special purpose financial report

Northern Beaches Council

To the Councillors of the Northern Beaches Council

### Opinion

I have audited the accompanying special purpose financial report (the financial report) of Northern Beaches Council's (the Council) Declared Business Activities, which comprise the Income Statement of each Declared Business Activity for the year ended 30 June 2018, the Statement of Financial Position of each Declared Business Activity as at 30 June 2018, notes comprising a summary of Significant accounting policies and other explanatory information for the Business Activities declared by Council, and the Statement by Councillors and Management.

The Declared Business Activities of the Council are:

- Children Services
- Kimbriki Environment Enterprises
- Glen Street Theatre
- Certification
- Aquatic Centres
- Parking Stations
- Sydney Lakeside Caravan Park.

In my opinion, the financial report presents fairly, in all material respects, the financial position of the Council's declared Business Activities as at 30 June 2018, and its financial performance for the year then ended, in accordance with the Australian Accounting Standards described in Note 1 and the Local Government Code of Accounting Practice and Financial Reporting (LG Code).

My opinion should be read in conjunction with the rest of this report.

### Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under the standards are described in the 'Auditor's Responsibilities for the Audit of the Financial Report' section of my report.

I am independent of the Council in accordance with the requirements of the:

- Australian Auditing Standards
- Accounting Professional and Ethical Standards Board's APES 110 'Code of Ethics for Professional Accountants' (APES 110).

I have fulfilled my other ethical responsibilities in accordance with APES 110.

Parliament promotes independence by ensuring the Auditor-General and the Audit Office of New South Wales are not compromised in their roles by:

- providing that only Parliament, and not the executive government, can remove an Auditor-General
- mandating the Auditor-General as the auditor of councils
- precluding the Auditor-General from providing non-audit services.

I believe the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### **Emphasis of Matter - Basis of Accounting**

Without modifying my opinion, I draw attention to Note 1 to the financial report which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Council's financial reporting responsibilities under the LG Code. As a result, the financial report may not be suitable for another purpose.

### **Other Information**

Other information comprises the information included in the Council's annual report for the year ended 30 June 2018, other than the financial report and my Independent Auditor's Report thereon. The Councillors are responsible for the other information. At the date of this Independent Auditor's Report, the other information I have received comprise the general purpose financial statements and Special Schedules.

My opinion on the financial report does not cover the other information. Accordingly, I do not express any form of assurance conclusion on the other information. However, as required by the *Local Government Act 1993*, I have separately expressed an opinion on the general purpose financial statements and Special Schedule 2 - Permissible income for general rates.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude there is a material misstatement of the other information, I must report that fact.

I have nothing to report in this regard.

### **The Councillors' Responsibilities for the Financial Report**

The Councillors are responsible for the preparation and fair presentation of the financial report and for determining that the accounting policies, described in Note 1 to the financial report, are appropriate to meet the requirements in the LG Code. The Councillors' responsibility also includes such internal control as the Councillors determine is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Councillors are responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless it is not appropriate to do so.

### **Auditor's Responsibilities for the Audit of the Financial Report**

My objectives are to:

- obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error
- issue an Independent Auditor's Report including my opinion.

Reasonable assurance is a high level of assurance, but does not guarantee an audit conducted in accordance with Australian Auditing Standards will always detect material misstatements. Misstatements can arise from fraud or error. Misstatements are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions users take based on the financial report.

A description of my responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: [www.auasb.gov.au/auditors\\_responsibilities/ar4.pdf](http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf). The description forms part of my auditor's report.

My opinion does not provide assurance:

- that the Council carried out its activities effectively, efficiently and economically
- about the security and controls over the electronic publication of the audited financial report on any website where it may be presented
- about any other information which may have been hyperlinked to/from the financial report.

Weini Liao  
Director, Financial Audit Services

# Northern Beaches Council

## Special Schedules

for the year ended 30 June 2018

Contents	Page
<b>Special Schedules</b>	
Special Schedule No. 1	115
Special Schedule No. 2	117
Special Schedule No. 7	118

### Background

(i) These Special Schedules have been designed to meet the requirements of special purpose users such as the:

- NSW Grants Commission
- Australian Bureau of Statistics (ABS),
- Department of Premier & Cabinet, Office of Local Government (OLG).
- Department of Primary Industries Water (DPIW)

(ii) The financial data is collected for various uses including;

- the allocation of Financial Assistance Grants,
- the incorporation of Local Government financial figures in national statistics,
- the monitoring of loan approvals,
- the allocation of borrowing rights, and
- the monitoring of specific service financial activities

Less unused catch up <sup>(5)</sup>	-	-	-	-
Carry forward to next year <sup>(6)</sup>	<b>1</b>	<b>(14)</b>	<b>16</b>	<b>3</b>

## Notes

<sup>1</sup> The 'notional general income' will not reconcile with rate income in the financial statements in the corresponding year. The statements are reported on an accrual accounting basis, which includes amounts that relate to prior years' rates income.

<sup>2</sup> Adjustments account for changes in the number of assessments and any increase or decrease in land value occurring during the year. The adjustments are called 'supplementary valuations' as defined in the Valuation of Land Act 1916 (NSW).

<sup>3</sup> The 'special variation percentage' is inclusive of the rate peg percentage and where applicable, the Crown land adjustment.

<sup>4</sup> Valuation objections are unexpected changes in land values as a result of land owners successfully objecting to the land value issued by the Valuer-General. Councils can claim the value of the income lost due to valuation objections in any single year.

<sup>5</sup> Unused catch-up amounts will be deducted if they are not caught up within two years. Usually, councils will have a nominal carry-forward figure. These amounts can be adjusted for when setting the rates in a future year.

<sup>6</sup> Carry-forward amounts which are in excess (an amount that exceeds the permissible income) require Ministerial approval by order published in the NSW Government Gazette in accordance with section 512 of the Act. The OLG will extract these amounts from councils' Special Schedule 2 in the Financial Data Return (FDR) to administer this process. Please check that data are transferred accurately to the Special Schedule 2 of the Financial Statements and FDR.

## Infrastructure Asset Condition Assessment

Level	Condition	Description
1	Excellent/Very Good	No work required (normal maintenance)
2	Good	Only minor maintenance work required
3	Satisfactory	Maintenance work required
4	Poor	Renewal required
5	Very Poor	Urgent renewal/upgrading required

<sup>1</sup> Estimated cost to bring assets to the agreed level of service set by Council represents the sum of outstanding renewal works, valued as the work will be undertaken. Council will make future budgeting decisions in relation to these outstanding works with those decisions likely to be prioritised in Council's forward plans based on social, economic and environmental factors, including risk to the community. As the agreed service levels are yet to be determined the estimated cost to bring to a satisfactory standard has been used.

# Northern Beaches Council

## Special Schedules

as at 30 June 2018

### Special Schedule 7 - Report on infrastructure assets

#### Infrastructure asset performance indicators – consolidated

	2018 \$'000	Current Year indicators	2017	Benchmark
<b>Building and infrastructure renewals ratio</b>				
Asset renewals (renewals only for Infrastructure Assets listed above)	<b>25,665</b>	99.79%	92.22%	>100%
Depreciation, amortisation and impairment	<b>25,720</b>			
<b>Infrastructure backlog</b>				
Estimated cost to bring assets to a satisfactory condition	<b>11,886</b>	0.51%	0.29%	<2%
Net carrying amount of infrastructure assets	<b>2,313,822</b>			
<b>Asset maintenance ratio</b>				
Actual asset maintenance	<b>37,670</b>	116.98%	103.74%	>100%
Required asset maintenance	<b>32,202</b>			
<b>Cost to bring assets to agreed service level</b>				
Estimated cost to bring to an agreed level of service set by council	<b>11,886</b>	0.44%	0.25%	
Gross replacement cost	<b>2,724,098</b>			

## INDEPENDENT AUDITOR'S REPORT

### Special Schedule 2 - Permissible Income for general rates

#### Northern Beaches Council

To the Councillors of Northern Beaches Council

### Opinion

I have audited the accompanying Special Schedule 2 – Permissible Income for general rates (the Schedule) of Northern Beaches Council (the Council) for the year ending 30 June 2019.

In my opinion, the Schedule of the Council for the year ending 30 June 2019 is prepared, in all material respects in accordance with the requirements of the Local Government Code of Accounting Practice and Financial Reporting (LG Code) issued by the Office of Local Government (OLG), and is in accordance with the books and records of the Council.

My opinion should be read in conjunction with the rest of this report.

### Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under the standards are described in the 'Auditor's Responsibilities for the Audit of the Schedule' section of my report.

I am independent of the Council in accordance with the requirements of the:

- Australian Auditing Standards
- Accounting Professional and Ethical Standards Board's APES 110 'Code of Ethics for Professional Accountants' (APES 110).

I have fulfilled my other ethical responsibilities in accordance with APES 110.

Parliament promotes independence by ensuring the Auditor-General and the Audit Office of New South Wales are not compromised in their roles by:

- providing that only Parliament, and not the executive government, can remove an Auditor-General
- mandating the Auditor-General as auditor of councils
- precluding the Auditor-General from providing non-audit services.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### Emphasis of Matter – Basis of Accounting

Without modifying my opinion, I draw attention to the special purpose framework used to prepare the Schedule. The Schedule had been prepared for the purpose of fulfilling the Council's reporting obligations under the LG Code. As a result, the Schedule may not be suitable for another purpose.

## Other Information

Other information comprises the information included in the Council's annual report for the year ended 30 June 2018, other than the Schedule and my Independent Auditor's Report thereon. The Councillors are responsible for the other information. At the date of this Independent Auditor's Report, the other information I have received comprise the general purpose financial statements, special purpose financial statements and the Special Schedules excluding Special Schedule 2 (the other Schedules).

My opinion on the Schedule does not cover the other information. Accordingly, I do not express any form of assurance conclusion on the other information. However, as required by the *Local Government Act 1993*, I have separately expressed an opinion on the general purpose financial statements and the special purpose financial statements.

In connection with my audit of the Schedule, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Schedule or my knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude there is a material misstatement of the other information, I must report that fact.

I have nothing to report in this regard.

## The Councillors' Responsibilities for the Schedule

The Councillors are responsible for the preparation of the Schedule in accordance with the LG Code. The Councillors' responsibility also includes such internal control as the Councillors determine is necessary to enable the preparation of the Schedule that is free from material misstatement, whether due to fraud or error.

In preparing the Schedule, the Councillors are responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless it is not appropriate to do so.

## Auditor's Responsibilities for the Audit of the Schedule

My objectives are to:

- obtain reasonable assurance whether the Schedule as a whole is free from material misstatement, whether due to fraud or error
- issue an Independent Auditor's Report including my opinion.

Reasonable assurance is a high level of assurance, but does not guarantee an audit conducted in accordance with Australian Auditing Standards will always detect material misstatements.

Misstatements can arise from fraud or error. Misstatements are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions users take based on the Schedule.

A description of my responsibilities for the audit of the Schedule is located at the Auditing and Assurance Standards Board website at: [www.auasb.gov.au/auditors\\_responsibilities/ar8.pdf](http://www.auasb.gov.au/auditors_responsibilities/ar8.pdf). The description forms part of my auditor's report.

My opinion does *not* provide assurance:

- that the Council carried out its activities effectively, efficiently and economically
- about the security and controls over the electronic publication of the audited Schedule on any website where it may be presented
- about any other information which may have been hyperlinked to/from the Schedule.
