## Part 3: Fees and Payment

A booking fee will be set in line with Northern Beaches Council Fees and Charges. Once an application has been processed a rental contract and invoice will be forwarded to the applicant. This will outline all fees and charges as well as the conditions of hire which the approval will be based upon. Adherence to these conditions is essential.

The payment method information will be included with the rental contract and invoice. Please do not provide any payments with this application.

## Part 4: Booking Information and Conditions

- Banners are only to be placed at the locations listed on the rental contract.
- The banners are placed on the available poles at each of the stated locations, not to any other structure or trees.
- Approval for use of the Condamine Street location is for use of the fence only.
- Either write the dates of your 14 day booking on the back of the banner in permanent marker or place a copy of the contract in a plastic sleeve and attach to the back of the banner. This will enable others to see the validity of your booking.
- At locations that have multiple banner spots available please place the banner on the highest available position to ensure all banners can fit.
- If there is no space at the site on the first day of your booking you may take down any banner that no longer has approval from that date. The dates should be located on the back of each banner. Contact the Reserve Booking office if there are no dates on the banner or if there appears to be no space for your banner. The Reserve Bookings officer will inform you as to which banner may be taken down. Please fold the older banners up and place at the location.
- It is your responsibility to remove the banner/s by end of the rental period and pick up any removed banners. Council takes no responsibility for the loss of or damage to a banner.
- Banner/s applications from commercial operators advertising commercial activities will only be accepted where the event is perceived to be of benefit to the general Northern Beaches Community.
- Any banners erected without approval or left onsite beyond the approval rental period may be impounded and be released for a fee.
