Part 6: Principal Certifier Service Agreement

This agreement applies where a person with the benefit of development consent (Owner) appoints Northern Beaches Council (Council) as the Principal Certifier (PC)
<p>The agreement sets out:</p> <ul style="list-style-type: none"> The services Council provides when appointed as PC; and The Council's and Owner's obligations when Council is appointed as PC

Appointment of Council as PC
<p>The Owner must appoint a PC before work commences on site. This is a legal requirement (S6.6 & S6.12) of the Environmental Planning & Assessment Act 1979.</p> <p>Note that "Owner" refers to the person having the benefit of development consent or complying development certificate for development involving building work or subdivision work.</p> <p>The Undertaking attached to this agreement is to be completed by the owner where Northern Beaches Council is appointed as the Principal Certifier.</p>

Notice of Commencement of Work
<p>At least two (2) days before commencing any work the Owner must notify Council of the intention to commence work.</p> <p>This notice must be given by providing the Notice of Commencement of Building or Subdivision Work to Council. This form will be attached to documentation sent to the owner if Council is appointed as the PC.</p>

Council's Services and Responsibilities as PC

As PC Council will:

- Advise when third party certification may be required;
- Advise upon the specific works to be completed or consent conditions to be satisfied before issuing occupation certificate(s);
- Issue an interim occupation certificate, if requested by the Owner, and where appropriate to do so;
- Issue the occupation certificate.

Serve notices and orders if there is a departure from the approved development.

Ensure that a sign is erected in a prominent position on the site showing the name, address and telephone number of the PC.

Inspections

Council may require inspections to be carried out.

Concurrent Inspection

The next nominated inspection after the first nominated inspection maybe carried out concurrently but only with the agreement of the PC. The concurrent inspection will be charged as per Council's Fees and Charges. All other nominated inspections must be carried out separately. Council as the PC must carry out the final inspection in order to issue the required Occupation Certificate.

Notice before Inspection

The Owner must ensure that the Principal Contractor (i.e. the builder) provides Council with a minimum 48 hours' notice (excluding weekends and public holidays) when each critical stage inspection is ready to inspect. All critical stage inspections must be carried out to allow for the Occupation Certificate to be issued allowing occupation of the building.

To notify Council that works are ready for inspection, telephone Council on 1300 434 434 8.30am to 5.00pm Monday to Friday.

Approval of Inspections

Until Council has confirmed in writing that it is satisfied with each stage of construction, subdivision work may not continue to the next stage of construction.

If Council is not satisfied with the relevant stage of construction work it will notify the Owner in writing and inform them of the reasons for this and the need (if any) to carry out a re-inspection.

Payment for Inspections

In regards to the critical stage inspections, payment in full must be forwarded to Council before any site inspections can take place. Please refer to Council's Fees and Charges for the cost of inspections.

Missing critical stage Inspections

If any critical stage inspection applicable to the development is not carried out by reason of not notifying the PC, or some other circumstances, the owner must submit in writing to the PC the specific reason(s) why the inspection was missed. If the PC is not satisfied with the reason then it may not be in a position to issue the required Subdivision Certificate. The appropriate form for missed inspections is available on Council's website.

If Council is required to carry out additional or re-inspections, a further charge will apply as per Council's Fees and Charges.

Documentation

Prior to the commencement of construction, or at any stage of construction, Council may ask the owner to provide specialist reports, plans, specifications and certification of construction materials, process of works. Typical documents include structural engineering and other specialist details, survey reports, compliance certificates and fire safety certificates.

Any compliance certificates or other certification required must be prepared by an accredited certifier or other suitably qualified person and must reference the relevant provisions of the BCA, Australian Standards and approved drawings, to the satisfaction of Council.

Note: It is an offence to knowingly make a false or misleading statement in an important aspect, or in connection with any document lodged with a certifying authority for purposes of the Environmental Planning and Assessment Act 1979 or the Environmental planning and Assessment Regulation 2001 (cl 283 of the EP&A Regulation).

Part 7: The Owner's Responsibilities

The owner must:

- Ensure that a sign is erected in a prominent position on site showing the name and telephone number (outside of working hours) of the principal contractor (builder) and stating that unauthorised entry to the site is prohibited;
- Ensure that valid public liability insurance cover to the value of \$10,000,000 (minimum) is held by the property owner;
- Ensure that the Principal Contractor is advised of the inspections required by Council and that the directions of Council are to be observed to ensure compliance with the development consent, construction certificate, BCA and the terms of the agreement;
- Notify at least 48 hours before each stage of construction for which Council requires an inspection to be carried out;
- Provide any specialist reports, plans, specifications and certification of building materials, process of works requested by Council at any stage of construction prior to issue of an occupation certificate;
- Comply with all relevant legislation, consents and approvals relating to the subject development.
- Inform Council of any known breach of any relevant legislation or matter that may require rectification or remediation as soon as practicable but not less than twenty four (24) hours after the Owner becomes aware of the breach or matter;
- Pay the service and inspection fees detailed in Council's Schedule of Fees and Charges

Note: To vary and modify a condition of consent requires the submission and approval of an application under S4.55 of the Environmental Planning and Assessment Act 1979;
