

Event organisers product and packaging information sheet

Please list all the food and beverage vendors, market stalls, event sponsors, etc. Detail all waste and recyclable materials they will be using at their stall. This includes all items relating to food and beverage packaging, promotional materials/giveaways, prizes and retail product packaging or other items they might be planning to sell or distribute at the event. Please put N/A if you are certain that they will not be generating any waste or distributing anything.

If anyone needs assistance with meeting the Waste Management Guidelines, please email WasteEducation@northernbeaches.nsw.gov.au
