

Manly business parking permit

4.1 Description

A business parking permit exempts a business vehicle from time limits in spaces signposted 'permit holders excepted'.

4.2 Eligibility

Business permits will only be issued to vehicles registered in the name of the business or the name of the proprietor.

The business must be located in Manly parking permit scheme.

To be eligible for a business permit, the vehicle must:

- be registered in NSW or classified as a vehicle temporarily in NSW under Clause 9 of Schedule 1 of the Road Transport (Vehicle Registration) Regulation 2017
- be registered in the name of the business or the proprietor
- not exceed 4.5 tonnes gross vehicle mass or greater than 7.5m in length
- not be a truck, boat, bus, caravan, trailer (all) or tractor.

Businesses are not eligible to apply for a multi-use parking permit.

Business permits will not be issued to properties rated residential or Airbnb properties, serviced apartments, guest houses, including their guests.

4.3 Number of permits

Registered businesses may be eligible for one Manly business parking permit. In situations where a business occupies one or more shops, suite or floor (with single or separate commercial or retail agreements) no more than one business permit will be issued to each registered business.

4.4 Proof of business vehicle

The applicant must provide the following documentation at the time of application:

- current vehicle registration papers in the name of the proprietor of the business
- business registration certificate.

In addition one of the following must also be provided:

- current valid Commercial Lease as per the Retail Leases Act 1994 No 46
- utility bill (recent quarter).

4.5 Validity

Business parking permits are only valid in the existing Manly parking permit scheme area where the business is located.

All permit holders must take responsibility to ensure the permit is valid and used in accordance with the terms and conditions.

Council may include restrictions to the time and day that the permit can be used based on the operational requirements of the business.

The permit must be affixed to the vehicle windscreen.

Please note:

1. The vehicle registration will be printed on the permit.
2. The permit must be affixed to the vehicle windscreen as per the terms and conditions.
3. A parking permit does not guarantee a parking space within a parking permit scheme area.
4. A parking permit does not provide exemptions from other parking restrictions or laws such as bus zones, loading zones, no stopping or no parking.

4.6 Permit replacement

If the permit is lost or stolen, or if the vehicle is stolen, a replacement permit may be issued on presentation of a valid Police report.

Permits will be replaced for the sale of a vehicle or damaged windscreen upon return of the original permit and presentation of the associated paperwork.
