When is a Storage of Building Materials on Footpath and Road Reserve Application required?
This application form is to be submitted prior to storing or placing any building materials (bricks, sand, pipes etc) and including overhead works (awning maintenance, window cleaning, abseiling etc) over Council land including roadways, footpaths and grass verge.
About this application form:
<ol style="list-style-type: none"> The application will not be considered for assessment until the required fees have been paid. Application and Late fee is non-refundable if the application is not approved. All documentation as listed in Part 7: Declaration must be submitted. Failure to provide the required information may result in the application not considered for assessment and not approved. The processing time for the application is a minimum of 2 working days (48 hours) excluding weekends and public holidays. Application submitted after the storage or placement of building materials will be subject to an additional Late Fee and may not be accepted. This application does not constitute an approval to proceed with any works. Storing or placing any building materials may only commence following receipt of the Approval Letter from Council. The Approval Letter must be kept on-site at all times during the period of placement. The approval of Building Materials on Footpath and Road Reserve does not exempt the applicant from their obligations to obtain separate approvals for Stand Plants, Works Zone and Building Waste Containers, when applicable.
